A Touch Of Divinity:

A Touch of Divinity Thaddeus M. Swirski, 1991-11-01 *The Mind and the Way* Sumedho, 2012-06-25 What would life be like if each one of us chose compassion over anger loving kindness over hatred awareness over ignorance The Mind and the Way demonstrates a radically simple approach to life one in which we are able to awaken to our true loving nature and delight in the mystery and wonder of the world With warmth and a wonderful sense of humor Ajahn Sumedho draws on the experiences of ordinary life to convey Buddhist insights that for 2 500 years have continued to remain vital and pertinent to our lives **Spirit of the Mind** Sanaullah Khan, 2024-11-18 In Spirit of the Mind Sanaullah Khan delves into Islamic perspectives on the soul and its implications for spirituality and self cultivation Despite varying views on the soul s composition a shared belief has persisted among theologians scholars preachers and reformists that it bears traces of the divine Thus drawing closer to God and gaining knowledge of nature involve returning to the soul s natural state of perfection Central to Islamic thought is the struggle between the soul and the nafs lower self embodying carnal desires In this context achieving closeness to God requires purifying the soul to control the nafs Khan traces a genealogy of the Islamic notion of the soul by exploring disturbances of the soul through Greek humoral theory notions of spiritual weakness as deviation from perfection the heart representing the seat of the soul and the soul s aspiration for the divine light nur for its purification Khan reflects on Islamic notions of the self through the tradition of the Perfect Man which emphasizes spiritual ascent and divine proximity Overall the monograph offers a nuanced exploration of the soul s significance in Islamic thought highlighting what thinkers have considered as the path to divine proximity and enlightenment *Kabbalah and Sex Magic* Marla Segol, 2021-09-08 In this provocative book Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic Drawing extensively on Jewish myth and ritual Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism in medieval kabbalah and in New Age ritual practice Kabbalah and Sex Magic traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium Persia Iberia and southern France Segol argues that in its fully developed medieval form kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it Segol explores the rituals acting on these models attending especially to their inherent erotic power and ties these to contemporary Western sex magic showing that such rituals have a continuing life Asking questions about its cosmology myths and rituals Segol poses even larger questions about the history of kabbalah the changing conceptions of the human relation to the divine and even the nature of religious innovation itself This

groundbreaking book will appeal to students and scholars of Jewish studies religion sexuality and magic *Moulding Through with the Touch of Divinity* Mohd. Atei Medaan (Abang),2002 *In Quest for Divinity: The True Path of Humanity* By a Student,2009-04-20 This book proposes that humanity is going through a spiritual awakening that is driving it into a quest for self knowledge This quest will in time bring humanity to the gates of self realization and the inevitable acceptance that divinity is not only an outward manifestation but that it is innate and inherent and forms the core of being of each human life This quest is a profoundly personal one and as such it should challenge all preconceived notions and structured beliefs If you take your quest in earnest the simple narrative of these experiences will prove to be real gems along the way The author in writing this book brings to the surface in very simple terms a new understanding of Divinity that will hopefully move the concept from the halls of the theologians and esoterists to the avid minds of humanity where it is most needed The Church of the First Days Charles John Vaughan,1875 **Divine Mysteries** John Todd Ferrier,2020-09-09 This is a selection of 38 of the writings of John Todd Ferrier They have been selected to show the profundity and scope contained in his writings nearly all of which were spoken to groups of friends between 1918 and 1943 Though given many years ago they are timeless and connect to all truly mystic teachings through the ages and the universal laws that underlie them In the Foreword we read Divine Mysteries is a book for those who acknowledge their spirituality and who are seeking a deeper understanding of the mystery of life It is for those who feel deeply inspired and committed to discovering the Divine God the Father Mother the Source the indefinable essence of all life within themselves the finding of which brings a sense of coming home of peace and one ness with all that is beautiful in creation Topics covered include Meditation Angels our connection to the Universe and all of Life the nature of the Soul of truth of consciousness reincarnation and life in the beyond a deeper understanding of colour and music and their relationship All of these teaching show aspect of the message of Love which Todd Ferrier brought through from higher realms *Desire, Darkness, and Hope* Laurie Cassidy,M.
