matter reinvigorated and regularized the holiday during the mid Victorian period infusing Christmas with emotionally
charged expectations of reading Tara Moore elucidates the evolution of Christmas publishing trends that dictated authors
writing schedules and reflected gift giving rituals As Victorian shopping customs evolved publishers satisfied consumers with
a range of holiday print matter including novels ghost stories periodicals children s books and poetry Ultimately Victorian
Christmas in Print analyzes how the revitalized holiday and the flurry of texts supporting it contributed to English national
identity **A Victorian Anthology 1837-1895** Stedman, 1895 The Singing Bourgeois Derek B. Scott, 2017-07-05 First
published in 1989 The Singing Bourgeois challenges the myth that the Victorian parlour song was a clear cut genre Derek
Scott reveals the huge diversity of musical forms and styles that influenced the songs performed in middle class homes
during the nineteenth century from the assimilation of Celtic and Afro American culture by songwriters to the emergence of
forms of sacred song performed in the home The popularity of these domestic songs opened up opportunities to women
composers and a chapter of the book is dedicated to the discussion of women songwriters and their work The commercial
success of bourgeois song through the sale of sheet music demonstrated how music might be incorporated into a system of
capitalist enterprise Scott examines the early amateur music market and its evolution into an increasingly professionalized
activity towards the end of the century This new updated edition features an additional chapter which provides a broad
survey of music and class in London drawing on sources that have appeared since the book s first publication An overview of
recent research is also given in a section of additional notes The new bibliography of nineteenth century British and
American popular song is the most comprehensive of its kind and includes information on twentieth century collections of
songs relevant periodicals catalogues dictionaries and indexes as well as useful databases and internet sites The book also
features accompanying downloadable resources of songs from the period Sunrise Song Catherine Palmer, 2003 Dr Fiona
Thornton has committed her life to studying and trying to protect the elephants of Kenya Rogan McCullough a wealthy
entrepreneur offers Fiona generous financial support if she will allow him to bring tourists to her camp to see the elephants
