Church and Politics in Latin America Dermot Keogh, 1990-06-18 Complex and profound changes have been taking place in the Latin American Catholic Church in the 20th century which have often been misunderstood and misrepresented This is a collection of essays written by scholars working in the fields of history political science sociology law and theology

Jesus in Global Contexts Priscilla Pope-Levison, John R. Levison, 1992-01-01 Liberator ancestor cosmic Christ and Black Messiah These are just some of the ways that Jesus is viewed in the world This rare book provides a global tour of the Christologies emerging in Latin America Asia and Africa and those of North American feminist and African American theologies Bibliography Indexes

The Emergence of Liberation Theology Christian Smith, 1991-08-27 Liberation theology is a school of Roman Catholic thought which teaches that a primary duty of the church must be to promote social and economic justice In this book Christian Smith explains how and why the liberation theology movement emerged and succeeded when and where it did

The Politics of the Spirit Timothy J. Steigenga, 2002-05-24 The Politics of the Spirit is a masterful study of the political effects of evangelical Protestantism in Central America Timothy Steigenga's thoughtfully crafted work questions whether the spread of Protestantism in Latin America has reinforced authoritarian elements in political culture or deepened nascent democracy Steigenga provides a thorough review of the literature on religion and politics in Latin America putting many of the hypotheses generated in this literature to the test through an analysis of comparative survey data and qualitative interviews Steigenga investigates the impact religious affiliation has on political activity and belief and the influence of cross denominational religious beliefs and practices on Latin American life His comparative work explores how different political systems the established democracy of Costa Rica and the transitional system of Guatemala impact the politics of religion This enlightening interdisciplinary book will appeal to scholars seeking to understand the relationships between religious and political change in Latin America
