

Art Of Cigar Bands

Angela Youngman

Art Of Cigar Bands:

The Art of Cigar Band Philippe Mesmer, 2023-07-12 Cigar bands have adorned cigars for more than 150 years. Until World War I they were produced and printed to the highest quality using the best methods available with the result that many cigar bands of the time are genuine works of art. Images depicted on the bands are varied but specific themes may be distinguished: flowers and foliage for example or heraldic charges or of course portraits of contemporary rulers and celebrities. This book features nearly 1 800 cigar bands drawn from the collection of Roger van Reeth including some of the most beautiful, some of the rarest and some of the oldest. Their presence adds something special to what is already a special publication: the Flavour perhaps of a superb Havana cigar.

The Art of Cigar Bands Philippe Mesmer, 2000 This book is for all cigar aesthetes, the smoker passionately fond of purros as the Cubans call them with infinite respect. During the 19th century when gentlemen wore white gloves at society gatherings tobacco often left dirty stains on their fingers because of the tobacco leaves which covered their cigars. Therefore they asked their suppliers to surround them with a paper band for protection. Those bands became the armorial signet ring that identified a man. Recognition of a social status, commemorative symbol or more simply a mark of quality, the cigar band developed its own codification. Brilliant artists have lent their talent to create them. The collection represented is exceptional. These cigar bands tell us part of the story of the last 150 years from the general of the Civil War, the Presidents of the United States of America, the Emperors of Germany to the delicate flowers reproduced by craftsmen.

The Art of the Cigar Diane K. Stevenson, Ariel Books, 1996-12-31 Designed to emulate traditional full sized books, the fashions of classic bookmaking, full color throughout, stylized endpapers, fine quality paper, full length text and Smyth sewn binding are represented in this line. Topical, Traditional, Tactile, Tempting, Targeted. Less than half the size of our Little Books, these palm sized volumes are irresistible.
