1, 2 Kings Paul R. House, 1995-02-21 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text *1 & 2 Kings* Peter J. Leithart, 2006-11 This commentary on 1 and 2 Kings demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible for today's church

1 and 2 Kings August H. Konkel, 2010-05-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **1 and 2 Kings** Donald J. Wiseman, 2015-06-17 1 and 2 Kings offer a unique vantage point for

understanding the last days of the united kingdom under David to the eventual fall of the kingdoms of Israel and Judah Donald Wiseman brings to this commentary his lifelong study of archaeology history languages and documents of the ancient Near East **I & II Kings** Marvin Alan Sweeney, 2007-01-01 This volume offers a close reading of the historical books of I and II Kings concentrating on not only issues in the history of Israel but also the literary techniques of storytelling used in these books Marvin A Sweeney provides a major contribution to the prominent Old Testament Library series with advanced discussions of textual difficulties in the books of Kings as well as compelling narrative interpretations The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing **1 & 2 Kings, a Commentary** James E. Smith, Ph.D., 2018-12-15 An introduction to the Old Testament books of 1 2 Kings is followed by a verse by verse commentary on the text

2 Kings Burke O. Long, 1991-11-20 Long views 1 2 Kings as a substantially unified written work of historiography produced during the Babylonian exile Hence he begins his detailed form critical commentary on 2 Kings where he left off in his volume on 1 Kings Following the series format Long discusses the text of 2 Kings unit by unit and integrates his form critical work with a discussion of the book's literary art e g style metaphor imagery to expose the narrative genius which awakens imaginative response in the reader 1 & 2 Kings Iain William Provan, 1997 Provan introduces the books of Kings as literature that is at one and the same time historiography narrative art and theology He discusses Kings not simply as a book from the past that may afford us some insight into life in ancient Israel but also as a book that functions as part of a

wider Scripture important to both Jews and Christians 1 and 2 Kings John M. Monson,Iain Provan,2016-01-12 Many today find the Old Testament a closed book The cultural issues seem insurmountable and we are easily baffled by that which seems obscure Furthermore without knowledge of the ancient culture we can easily impose our own culture on the text potentially distorting it This series invites you to enter the Old Testament with a company of guides experts that will give new insights into these cherished writings Features include Over 2000 photographs drawings maps diagrams and charts provide a visual feast that breathes fresh life into the text Passage by passage commentary presents archaeological findings historical explanations geographic insights notes on manners and customs and more Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages Written by an international team of 30 specialists all top scholars in background studies **Exalting Jesus in 1 & 2 Kings** Tony Merida,2015-11-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition
