Victor P. Hamilton

1 Kings Knox Preaching Guides:

Holman Old Testament Commentary - 1 & 2 Kings Max Anders, Gary Inrig, 2003-10-01 One in a series of twenty Old Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike 1 Kings Gene Rice, 1990-11-27 The book of 1 Kings tells of God's covenant people wrestling with the myriad problems of political existence from the last days of David to the time of Jehoshaphat and Ahaziah during the divided monarchy Recounting the past especially in light of the First and Second Commandments 1 Kings shows how Israel's history is related to their morality warns of the danger of a divided heart calls for obedience to God's commandments and summons the people to repentance and reform It is out of these concerns for ancient Israel Rice contends that 1 Kings speaks to the present it prods us to identify the equivalent of Canaanite religion in our own society to use Israel's experience in political issues as a mirror in which to evaluate our own efforts and to look for God's presence in the arena of public life and service Indeed Rice argues the basic affirmation of 1 Kings is that all nations not just Israel are under God **Handbook on the Historical Books** Victor P. Hamilton, 2008-03-01 From the tumbling walls of Jericho to a Jewish girl who became the queen of Persia the historical books of the Bible are intriguing and unquestionably fascinating In this comprehensive introduction veteran Old Testament professor Victor Hamilton demonstrates the significance of the messages contained in these biblical books by carefully examining content structure and theology He details the events and implications of each book chapter by chapter providing useful commentary on overarching themes and the connections and parallels between Old Testament texts Now in paper *Hope Within History* Walter Brueggemann, 1987-01-01 Within a culture that is presently shaped by values of hopelessness Walter Brueggemann looks at the biblical text and finds the resources for a hope within history a hope that challenges hopelessness and despair Hope within History describes how individuals and churches can grow even when at odds with their social context addresses the theological question of how we experience hope in our historical biblical context and provides a model for faith development based on our understanding of hope within history as set forth in the biblical narrative **Using God's Resources Wisely** Walter Brueggemann, 1993-01-01 New and different readings of biblical texts are one consequence of a growing awareness of the environmental crisis and how it relates to social relations especially in urban settings Walter Brueggemann explores readings from Isaiah and how they relate to the environment and urban crisis He approaches the readings as an artistic theological history of the city of Jerusalem a case study of urban environmental crisis that resulted from a lost sense of covenantal neighborliness Reflecting on Jerusalem its failure demise and prospect Brueggemann uncovers some alarming parallels in today's urban cities and offers a demanding but hopeful challenge to faith *Reformed and Feminist* Johanna W. H. Van Wijk-Bos, 1991-01-01 Explores the nature and function of Biblical authority in Christian feminism Drawing on her personal experiences of an early childhood spent in the Nazi occupied Netherlands and an adolescence in a faith community with a

strong Calvinist cast the author illustrates the ways in which Biblical authority undergirds and expands feminist perspectives back cover

The Lectionary Commentary: Theological Exegesis for Sunday's Texts, The First Readings: Roger E. Van Harn, 2005-09-09 Preaching pastors ministers and priests know how quickly Sundays come and go The Lectionary Commentary will not slow the pace of the weekly calendar but it will help assure that sermon preparation begins with a solid engagement with Scripture Designed to jump start the difficult task of sermon preparation this indispensable three volume work gathers exegetical essays on biblical texts from the Revised Common Lectionary Covering every Sunday of the three year liturgical cycle as well as Christmas Day Epiphany and Ascension Day the readings are arranged in canonical order so as to be of use to all preachers Seventy eight pastors priests and teachers from a variety of Christian traditions have contributed their insights to The Lectionary Commentary Designed to answer the question What does the preacher need to know about this text in order to preach a faithful sermon from it each of their essays closely considers its specific biblical text all the while remaining alert to the contemporary context in which the sermon will be spoken and heard The result is an invaluable resource that will aid in the difficult task of facilitating a meaningful encounter between Holy Scripture and our modern world This volume The First Readings Old Testament and Acts provides exegetical commentary on the lectionary readings from Genesis to Malachi and from the first seventeen chapters of Acts Also unique to this volume is an excellent essay by Hughes Oliphant Old on preaching as worship Consulting Editors Richard A Burridge Thomas W Gillespie Colin E Gunton Robert W Jenson James F Kay Hughes Oliphant Old Fleming Rutledge Marguerite Shuster

Covenant Continuity and Fidelity Jonathan Gibson, 2016-09-22 The core of Malachi's covenantal imagination is shaped by his reflection on an authoritative collection of source texts in the Hebrew Bible The mention of people nations and places Deuteronomic terminology and rare words and unique word root combinations exclusive to Malachi and only a few other texts encourages the book to be read in the context of received biblical traditions and texts The diversity of methodologies used previously to analyse Malachi has resulted in confusion about the significance of the inner biblical connections in the book of Malachi which Gibson clarifies His reading frees the text of Malachi from being overburdened by too many intertexts and allows its central message of covenant to arise with greater clarity and force Gibson reveals how Malachi's connections to earlier source texts are neither random nor causal rather they have been strategically employed to inform and shape his central theme of covenant continuity and fidelity

Voice, Word, and Spirit Brian Neil Peterson, Rickie D. Moore, 2017-02-21 Pentecostalism is a movement that in a little over a century has encircled the globe and either directly or indirectly has impacted and influenced every quarter of Christendom At its heart the movement bears witness to a contemporary experience of divine human encounter in line with the prophetic claims of the Old Testament and the Pentecost testimony of the New indeed an encounter with the power the presence the Spirit of God that is radically transformative enough at both personal and corporate levels to evoke a new way of seeing the world and with it a new way of reading the Word In the post

modern situation that has forced all of us to a greater awareness of the contextual particularities of how we see and read things with all of the limitation and the illumination that this can entail it is time for offering a survey of Scripture and the Old Testament in particular that speaks both from and to the manifold global context of Pentecostal faith and practice Here the authors are deft guides affirming the integration of academic scholarship and charismatic spirituality They present thoughtful readers with an overview of the Old Testament that is explicitly engaged with the faith and practice of the Pentecostal movement and the recent scholarship that has been generated by this contemporary global Christian movement especially as it bears upon biblical interpretation They invite readers to approach scripture reading with the expectation of being encountered and addressed by a Living Voice flipping the primary goal of biblical study from us interpreting Scripture to Scripture reading and interpreting us In addition to treating each Old Testament book individually this textbook offers a brief chapter length introduction to each of the four major book collections as standardized in the Protestant Bible s arrangement of Old Testament Scriptures 1 Pentateuch 2 Historical Books 3 Poetical Books and 4 Prophets

King Solomon Philip Graham Ryken, 2011-07-07 Though the world s wisest king Solomon s heart was led astray by temptations of wealth sex and power And we face the same dangers today though the temptations may be different in degree and detail Author Philip Ryken writes In witnessing Solomon s moral triumphs and sinful failures we learn how to live more wisely By the grace of God we may avoid a tragic downfall of our own and learn how to use money sex and power for the glory of God Tracing Solomon s life from coronation to burial and from godly devotion to self serving excess Ryken shows readers how to avoid similar downfalls and seek God s glory amid earthly temptations These thirteen chapters are pastoral rich in application and biblically faithful This overview of Solomon s life also includes a study guide making it a great resource for both personal and group use
