Nicholas D. Smith

109 18th Century British Poets:

Patriotism and Poetry in Eighteenth-Century Britain Dustin Griffin, 2005-11-17 The poetry of the mid and late eighteenth century has long been regarded as primarily private and apolitical in this wide ranging study Dustin Griffin argues that in fact the poets of the period were addressing the great issues of national life rebellion at home imperial wars abroad an expanding commercial empire an emerging new British national identity Taking up the topic of patriotic verse Griffin shows that poets such as Thomas Gray Christopher Smart Oliver Goldsmith and William Cowper were engaged in the century long debate about the nature of true patriotism

English Poetry of the Eighteenth Century, 1700-1789 David Fairer, 2014-10-13 In recent years the canon of eighteenth century poetry has greatly expanded to include women poets labouring class and provincial poets and many previously unheard voices Fairer's book takes up the challenge this ought to pose to our traditional understanding of the subject This book seeks to question some of the structures categories and labels that have given the age its reassuring shape in literary history In doing so Fairer offers a fresh and detailed look at a wide range of material

Literary Research and the British Eighteenth Century Peggy Keeran, Jennifer Bowers, 2013-02-21 The 18th century in Britain was a transition period for literature Patronage either by a benefactor or through subscription lingered even as the publishing and bookselling industries developed The practice of reviewing books became well established during the second half of the century with the first periodical founded in 1749 For the literary scholar these gradual changes mean that different search strategies are required to conduct research into primary and secondary source material across the era Literary Research and the British Eighteenth Century addresses these unique challenges It examines how the following all contribute to the richness of literary research for this era book and periodical publishing a growing literate society dissemination of literature through salons private societies and coffee houses the growing importance of book reviews the explosion of publishing and the burgeoning of primary source material available through new publishing and digital initiatives in the 21st century This volume explores primary and secondary resources including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives 18th century books newspapers and periodicals contemporary reception and electronic texts and journals as well as Web resources Each chapter addresses the research methods and tools best used to extract relevant information and compares and evaluates sources making this book an invaluable guide to any literary scholar and student of the British eighteenth century

Literature and Authenticity, 1780-1900 Dr Ashley Chantler, Dr Michael Davies, Professor Philip Shaw, 2013-05-28 Individually and collectively these essays establish a new direction for scholarship that examines the crucial activities of reading and writing about literature and how they relate to authenticity Though authenticity is a term deep in literary resonance and rich in philosophical complexity its connotations relative to the study of literature have rarely been explored or exploited through detailed critical examination of individual writers and their works Here the notion of the authentic is

recognised first and foremost as central to a range of literary and philosophical ways of thinking particularly for nineteenth century poets and novelists Distinct from studies of literary fakes and forgeries this collection focuses on authenticity as a central paradigm for approaching literature and its formation that bears on issues of authority self reliance truth originality the valid and the real and the genuine and inauthentic whether applied to the self or others Topics and authors include the spiritual autobiographies of William Cowper and John Newton Ruskin and travel writing British Romantic women poets William Wordsworth and P B Shelley Robert Southey and Anna Seward John Keats Lord Byron Elizabeth Gaskell Henry David Thoreau Henry Irving and Joseph Conrad The volume also includes a note on Professor Vincent Newey with a bibliography of his critical writings *The Cambridge History of English Literature, 1660-1780* John Richetti, 2005-01-06 The Cambridge History of English Literature 1660 1780 offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period Forgotten or neglected authors and themes as well as new and emerging genres within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis The volume's guiding purpose is to examine the social and historical circumstances within which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully **British Poets of the Great War** Patrick Quinn, 2000 Essays on writers from Albania Czech Republic Estonia Hungary Latvia Lithuania Poland Romania and Slovakia Discusses authors who played significant roles in the growth development and preservation of their respective literatures during an extraordinarily inventive and creative time period As many of these authors had limited exposure in the West these essays provide a comprehensive understanding and appreciation of Eastern Europe and its literary tradition

The Cambridge History of American Literature: Volume 4, Nineteenth-Century Poetry 1800-1910 Sacvan Bercovitch, Cyrus R. K. Patell, 1994 This is the first complete narrative history of nineteenth century American poetry Barbara Packer explores the neoclassical and satiric forms mastered by the early Federalist poets the creative reaches of once celebrated and still compelling poets like Longfellow and Whittier the distinctive lyric forms developed by Emerson and the Transcendentalists Shira Wolosky provides a new perspective on the achievement of female poets of the period as well as a close appreciation of African American poets including the collective folk authors of the Negro spirituals She also illuminates the major works of the period from Poe through Melville and Crane to Whitman and Dickinson The authors of this volume discuss this extraordinary literary achievement both in formal terms and in its sustained engagement with changing social and cultural conditions In doing so they recover and elucidate American poetry of the nineteenth century for our twenty first century pleasure profit and renewed study *The Literary Manuscripts and Letters of Hannah More* Nicholas D. Smith, 2008 The result of extensive archival investigation this meticulously researched book collects and describes for the first time the

extant literary manuscripts and letters of the celebrated Bluestocking writer and Evangelical philanthropist Hannah More 1745-1833 Participating in the ongoing recovery of eighteenth century women writers Nicholas D Smith's survey is an indispensable reference work not only for More scholars but for those researching the careers of many of her contemporaries

Twentieth-Century War Poetry Philippa Lyon, 2004-10-28 Poets have written about wars throughout the 20th century questioning protesting and sometimes celebrating the nature and purpose of conflict Attracting an enthusiastic popular readership war poetry has often been seen as a way of remembering and reimagining wars Today war poems are not only part of our memorial culture on epitaphs and in Remembrance Day services but have inspired books and films and become studied widely around the world This Guide examines the genesis and development of the important genre of war poetry in the twentieth century focusing in particular on the role of the two world wars in the literary and cultural construction of a war poetry category Philippa Lyon draws upon a range of key historical and contemporary critical responses from poetic memoir and journalism to sophisticated academic criticism to demonstrate the rich diversity of expectations and evaluations elicited by the developing genre

Historical Dictionary of Romanticism in Literature Paul Varner, 2014-11-18 The Historical Dictionary of Romanticism in Literature provides a large overview of the Romantic Movement that seemed at the time to have swept across Europe from Russia to Germany and France to Britain and across the Atlantic to the United States The Romantics saw themselves as inaugurating a new era They frequently referred to themselves or their contemporaries as Romantics and their art as Romantic From the early stirrings in Germany to the last decade of the eighteenth century in England with the political radicals and the Lake Poets to the Transcendental Club in Massachusetts the leaders of the age acknowledged their new Romantic attitudes This volume takes a close and comprehensive look at romanticism in literature through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 800 cross-referenced entries on the writers and the poems novels short stories and essays plays and other works they produced the leading trends techniques journals and literary circles and the spirit of the times are also covered This book is an excellent access point for students researchers and anyone wanting to know more romanticism in literature
