secrets for **SUCCESS** **& Inner Peace**

by Dr. Wayne Dyer

Secret #1

Have a mind that is open to everything and attached to nothing.

Your attachments are the source of all your problems. The need to be right, to possess someone or something, to win at all costs, to be viewed by others as superior—these are all attachments. The open mind resists these attachments and consequently experiences inner peace and success.

Secret #2

Don't die with your music still in you. That music that you hear inside of you urging you to take risks and follow your dreams is your intuitive connection to the purpose in your heart since birth.

Secret #3

You can't give away what you don't have. By changing your inner thoughts to the higher frequencies of love, harmony, kindness, peace, and joy, you'll attract more of the same, and you'll have those higher energies to give away.

Secret #4

Embrace silence.

Silence reduces fatigue and allows you to experience your own creative juices.

Secret #5

Give up your personal history.

Secret #6

You can't solve a problem with the same mind that created it.

Your thoughts are the source of virtually everything in your life.

Secret #7

There are no justified resentments.

Anytime you're filled with resentment, you're turning the controls of your emotional life over to others to manipulate.

Secret #8

Treat yourself as if you already are what you'd like to be.

From thoughts to feelings to actions, they will all react affirmatively when you stay inspired and get out in front of yourself in ways that are consistent with what you want to become...

Whether you think this is possible or impossible, either way you'll be right.

Secret #9

Treasure your divinity.

You are "a piece of the divine intelligence that supports everything."

Secret #10

Wisdom is avoiding all thoughts that weaken you.

Dyer, 2005-07-01 **The Power of Intention** Dr. Wayne W. Dyer, Lauber Lynn, 2012-02-22 From best selling author and spiritual teacher Wayne W Dyer comes

My Greatest Teacher which follows a man's journey to find understanding and reconciliation with his past. Despite having a loving family and a fulfilling career as a university professor, Ryan Kilgore has always held deep resentment and anger toward the father who abandoned him when he was born. When these emotions take their toll on his marriage and his relationship with his own son, Ryan realizes he must confront these unhealed wounds in order to move forward in his life. While at an academic conference, he embarks on a search to track down his father, Big Bob. Along the way, Ryan encounters friends and acquaintances of Big Bob while reawakening memories of his childhood. *My Greatest Teacher* is an inspiring tale of how we can transform suffering and pain into forgiveness and love and the lessons we can learn through the most difficult challenges we face.

Inspiration Dr. Wayne W. Dyer, 2006-02-28 The #1 New York Times best-selling author of *The Power of Intention*. What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life. Dr. Wayne W. Dyer. In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form from our place of origin in ways that we don't readily comprehend now. We knew what we were coming here to accomplish and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth, we have the capacity of volition; we can choose. So let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone. It isn't reserved for high-profile creative geniuses in the arts and sciences; it's inherent in our Divine birthright. The problem is that as children, we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living in Spirit. From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration, your ultimate calling.

Excuses Begone! Dr. Wayne W. Dyer, 2011-01-01 Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed it, it would create family dramas. I'm too old or too young. I'm far too busy and tired. I can't afford the things I truly want. It would be very difficult for me to do things differently, and I've always been this way. They may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse and then proceed.

through the steps of a new paradigm The old habituated ways of thinking will melt away as you experience the absurdity of hanging on to them You ll ultimately realize that there are no excuses worth defending ever even if they ve always been part of your life and the joy of releasing them will resonate throughout your very being When you eliminate the need to explain your shortcomings or failures you ll awaken to the life of your dreams Excuses Begone **Excuses Begone!
