Afrocentrism Mythical Pasts And Imagined Homes:

Afrocentrism Stephen Howe,1999-08-17 For centuries racist colonial and Eurocentric bias has blocked or distorted knowledge of Africans their histories and cultures resulting in a counter mythology claiming the innate superiority of African descended peoples In this provocative study historian Stephen Howe challenges this Afrocentric rewriting of African history 16 photos Copyright Libri GmbH All rights reserved **Non-Western Educational Traditions** Timothy G.

Reagan,2004-09-22 This text provides a brief yet comprehensive overview of a number of non Western approaches to educational thought and practice Its premise is that understanding the ways that other people educate their children as well as what counts for them as education may help us think more clearly about some of our own assumptions and values and to become more open to alternative viewpoints about important educational matters The value of this informative mind opening text for preservice and in service teacher education courses is enhanced by Questions for Discussion and Reflection and Recommended Further Readings included in each chapter New in the Third Edition Chapter 2 Conceptualizing Culture I We and The Other is new to this edition It is a response to feedback about the problems inherent in our general discourse about culture and in addition provides an example of a culture that is near to us but nevertheless alien the culture of the Deaf World Chapter 9 which deals with Islam and traditional Muslim education has been substantially revised The subtitle of the Third Edition has been changed to Indigenous Approaches to Educational Thought and Practice reflecting not so much a change in the emphases found in the book but rather a recognition of the growing scholarly interest in indigenous peoples their languages cultures and histories Various points throughout the text have been expanded and clarified and chapters have been updated as needed **Egyptomania** Ronald H. Fritze,2021-02-04 Egyptomania takes us on a historical journey to

unearth the Egypt of the imagination a land of strange gods mysterious magic secret knowledge monumental pyramids enigmatic sphinxes and immense wealth Egypt has always exerted a powerful attraction on the Western mind and an array of figures have been drawn to the idea of Egypt Even the practical minded Napoleon dreamed of Egyptian glory and helped open the antique land to explorers Ronald H Fritze goes beyond art and architecture to reveal Egyptomania s impact on religion philosophy historical study literature travel science and popular culture All those who remain captivated by the ongoing phenomenon of Egyptomania will revel in the mysteries uncovered in this book *Homecomings* Fran

Markowitz,Anders H. Stefansson,2004-01-01 Homecomings explores the forces and motives that drive immigrants war refugees political exiles and their descendants back to places of origin By including a range of homecoming experiences Markowitz and Stefansson destabilize key oppositions and terminologies that have vexed migration studies for decades

The Jews of Ethiopia Tudor Parfitt,Emanuela Trevisan Semi,2013-04-15 This book offers the results of the most recent research carried out in European and Israeli universities on Ethiopian Jews With a special focus on Europe and the role played by German English and Italian Jewish communities in creating a new Jewish Ethiopian identity it investigates such

issues as the formation of a new Ethiopian Jewish elite and the transformation of the identity from Ethiopian Falashas to the Jews of Ethiopia during the twentieth century *The Oxford Handbook of Global Modernisms* Mark Wollaeger, Matt Eatough, 2013-10 The Oxford Handbook of Global Modernisms expands the scope of modernism beyond its traditional focus on English and Irish literature to explore the contributions of artists from countries and regions like the US Cuba Spain the Balkans China Japan India Vietnam and Nigeria Encyclopedia of Race and Ethnic Studies Ellis Cashmore, 2004-03 The book comprises essays each highlighting a particular word or term germane to the study of race and ethnic studies

Ancestors and Relatives Eviatar Zerubavel, 2011-11-04 Eviatar Zerubavel casts a critical eye on how we trace our past individually and collectively arguing that rather than simply find out who our ancestors are from genetics or history we actually create the stories that make them our ancestors Contemporary Arab Thought Elizabeth Suzanne Kassab, 2025-04-29 In the last third of the twentieth century the Arab intellectual and political scene polarized between totalizing doctrines nationalist Marxist and religious and radical critique Arab thinkers were reacting to the disenchanting experience of postindependence and a widespread sense of malaise as well as to authoritarianism intolerance injustice failed development and successive defeats by Israel The foundational account of these responses Contemporary Arab Thought illuminates the relationship between cultural and political critique in the work of major Arab thinkers Elizabeth Suzanne Kassab also connects Arab debates to the postcolonial issues of Latin America and Africa revealing the shared struggles of different regions Since its first publication in 2009 this book has stood as the foremost account of contemporary Arab debates on culture philosophy modernity tradition identity and liberation It is widely used in Middle Eastern studies courses and it has become a classic in the field of Arab intellectual history Contemporary Arab Thought now features an extensive new introduction that reconsiders post 1967 Arab intellectual history in light of the 2011 uprisings and the upheavals that have occurred over the intervening years Kassab critically reflects on the book's arguments and the responses it has provoked and she surveys the new preoccupations that have emerged in Arab debates since 2011 As crises again overtake the Middle East this landmark work continues to offer indispensable insight into the richness of contemporary Arab thought *Black Jews in Africa and the Americas* Tudor Parfitt, 2013-02-04 Tudor explains how many African peoples came to think of themselves as descendants of the ancient tribes of Israel Pursuing medieval and modern race narratives over a millennium in which Jews were cast as black and black Africans were cast as Jews he reveals a complex interaction between religious and racial labels and their political uses
