Patterson, 2022-08-11 Judith Butler and conservative Christian theology are often perceived to be antithetical on questions of gender In *Reforming a Theology of Gender* they are shown to be strange bedfellows By engaging in dialogue with Butler on her terms desire violence and life this book absorbs the heart of Butler's critique revealing a righteous law and a seductive image in conservative theologies of gender The law of Adam and Eve manifests in the unjust administration of guilt grief and death By confronting this law which in fact condemns all in their bodies further reflection on Butler's thought leads to thinking about where one finds life in one's body of death The seductive image of Adam and Eve is revealed to be a false hope and a site that induces slave morality or body works based righteousness Butler's voice is strangely prophetic because it calls the church to offer hope and life by reorienting its gaze from the beautiful yet lifeless bodies of Adam and Eve to the bloodied and scarred risen body of Jesus Christ Gender in the end is shown to be a vocation of becoming what one is not **My Age of Anxiety** Scott Stossel, 2014 With InstaRead Chapter by Chapter Summaries you can get the essence of a book in 30 minutes or less We read every chapter and summarize it in one or two paragraphs so you can get the information contained in the book at a faster rate This is an InstaRead Summary of *My Age of Anxiety* Fear Hope Dread and the Search for Peace of Mind by Scott Stossel Below is a preview of the earlier sections of the summary PART I The Riddle of Anxiety 1 The Nature of Anxiety On the day Scott Stossel got married he had an anxiety attack
