Advances In Charles Dickens Studies

Jenny Hartley

Advances In Charles Dickens Studies:

Palgrave Advances in Charles Dickens Studies R. Patten, J. Bowen, 2005-11-30 Palgrave Advances in Charles Dickens Studies is a comprehensive and authoritative guide to the study of one of the most important Victorian novelists Its editors Robert L Patten and John Bowen are leading authorities on Dickens and the international team of contributors they have assembled contains some of the most exciting critics of nineteenth century fiction writing today The book covers the whole range of Dickens s writing and criticism about it including biographical theoretical and historical approaches It is based on up to the minute research and written in a lively and engaging way and will be essential reading for all students and scholars of this canonical writer

Knowing Dickens Rosemarie Bodenheimer, 2012-11-09 In this compelling and accessible book Rosemarie Bodenheimer explores the thoughtworld of the Victorian novelist who was most deeply intrigued by nineteenth century ideas about the unconscious mind Dickens found many ways to dramatize in his characters both unconscious processes and acts of self projection notions that are sometimes applied to him as if he were an unwitting patient Bodenheimer explains how the novelist used such techniques to negotiate the ground between knowing and telling revealing and concealing She asks how well Dickens knew himself the extent to which he understood his own nature and the ways he projected himself in his fictions and how well we can know him *Knowing Dickens* is the first book to systematically explore Dickens s abundant correspondence in relation to his published writings Gathering evidence from letters journalistic essays stories and novels that bear on a major issue or pattern of response in Dickens s life and work Bodenheimer cuts across familiar storylines in Dickens biography and criticism in chapters that take up topics including self defensive language models of memory relations of identification and rivalry among men houses and household management and walking and writing

Charles Dickens and His Publishers Robert L. Patten, 2017 This fascinating volume relates the story of Dickens s social encounters violent breaches and uneasy alliances with his publishers and illustrates how the conditions of publishing had much to do with the shape and success of Dickens s career

A Companion to Charles Dickens David Paroissien, 2008-04-15 *A Companion to Charles Dickens* concentrates on the historical ideological and social forces that defined Dickens s world Puts Dickens s work into its literary historical and social contexts Traces the development of Dickens s career as a journalist and novelist Includes original essays by leading Dickensian scholars on each of Dickens s fifteen novels Explores a broad range of topics including criticisms of his novels the use of history and law in his fiction language and the effect of political and social reform Examines Dickens s legacy and surveys the mass of secondary materials that has been generated in response and reverence to his writing

The Oxford Handbook of Charles Dickens Robert L. Patten, John O. Jordan, Catherine Waters, 2018-09-13 *The Oxford Handbook of Charles Dickens* is a comprehensive and up to date collection on Dickens s life and works It includes original chapters on all of Dickens s writing and new considerations of his contexts from the social political and economic to the scientific commercial and religious The contributions speak in new

ways about his depictions of families environmental degradation and improvements of the industrial age as well as the law charity and communications His treatment of gender his mastery of prose in all its varieties and genres and his range of affects and dramatization all come under stimulating reconsideration His understanding of British history of empire and colonization of his own nation and foreign ones and of selfhood and otherness like all the other topics is explained in terms easy to comprehend and profoundly relevant to global modernity *Charles Dickens: A Very Short Introduction* Jenny Hartley, 2019-02-15 Charles Dickens is credited with creating some of the world's best known fictional characters and is widely regarded as the greatest novelist of the Victorian age Even before reading the works of Dickens many people have met him already in some form or another His characters have such vitality that they have leapt from his pages to enjoy flourishing lives of their own The Artful Dodger Miss Havisham Scrooge Fagin Mr Micawber and many many more His portrait has been in our pockets on our ten pound notes he is a national icon indeed himself a generator of what Englishness signifies In this *Very Short Introduction* Jenny Hartley explores the key themes running through Dickens's corpus of works and considers how they reflect his attitudes towards the harsh realities of nineteenth century society and its institutions such as the workhouses and prisons Running alongside this is Dickens's relish of the carnivalesque if there is a prison in almost every novel there is also a theatre She considers Dickens's multiple lives and careers as magazine editor for two thirds of his working life as travel writer and journalist and his work on behalf of social causes including ragged schools and fallen women She also shows how his public readings enthralled the readers he wanted to reach but also helped to kill him Finally Hartley considers what we mean when we use the term Dickensian today and how Dickens's enduring legacy marks him out as a novelist different in kind from others ABOUT THE SERIES The *Very Short Introductions* series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable This book was previously published in hardback as *Charles Dickens An Introduction*

Charles Dickens Jenny Hartley, 2016-10-19 Charles Dickens is credited with creating some of the world's best known fictional characters and is widely regarded as the greatest novelist of the Victorian age Even before reading the works of Dickens many people have met him already in some form or another His characters have such vitality that they have leapt from his pages to enjoy flourishing lives of their own The Artful Dodger Miss Havisham Scrooge Fagin Mr Micawber and many many more His portrait has been in our pockets on our ten pound notes he is a national icon indeed himself a generator of what Englishness signifies In this book Jenny Hartley explores the key themes running through Dickens's corpus of works and considers how they reflect his attitudes towards the harsh realities of nineteenth century society and its institutions such as the workhouses and prisons Running alongside this is Dickens's relish of the carnivalesque if there is a prison in almost every novel there is also a theatre She considers Dickens's multiple lives and careers as magazine editor for two thirds of his

working life as travel writer and journalist and his work on behalf of social causes including ragged schools and fallen women. She also shows how his public readings enthralled the readers he wanted to reach but also helped to kill him. Finally Hartley considers what we mean when we use the term Dickensian today and how Dickens's enduring legacy marks him out as a novelist different in kind from others.

Dickens's Idiomatic Imagination Peter J. Capuano, 2023-12-15 Dickens's Idiomatic Imagination offers an original analysis of how Charles Dickens's use of low and slangular his neologism language allowed him to express and develop his most sophisticated ideas. Using a hybrid of digital distant and analogue close reading methodologies Peter J. Capuano considers Dickens's use of bodily idioms right hand man shoulder to the wheel nose to the grindstone against the broader lexical backdrop of the nineteenth century. Dickens was famously drawn to the vernacular language of London's streets but this book is the first to call attention to how he employed phrases that embody actions, ideas and social relations for specific narrative and thematic purposes. Focusing on the mid to late career novels *Dombey and Son*, *David Copperfield*, *Bleak House*, *Great Expectations* and *Our Mutual Friend*, Capuano demonstrates how Dickens came to relish using common idioms in uncommon ways and the possibilities they opened up for artistic expression. Dickens's Idiomatic Imagination establishes a unique framework within the social history of language alteration in nineteenth century Britain for rethinking Dickens's literary trajectory and its impact on the vocabularies of generations of novelists, critics and speakers of English.

Charles Dickens's Networks Jonathan H. Grossman, 2012-03-01 The same week in February 1836 that Charles Dickens was hired to write his first novel *The Pickwick Papers*, the first railway line in London opened. Charles Dickens's Networks explores the rise of the global high speed passenger transport network in the nineteenth century and the indelible impact it made on Dickens's work. The advent first of stage coaches then of railways and transoceanic steam ships made unprecedented round trip journeys across once seemingly far distances seem ordinary and systematic. Time itself was changed. The Victorians overran the separate local times kept in each town establishing instead the synchronized standard time which now ticks on our clocks. Jonathan Grossman examines the history of public transport's systematic networking of people and how this revolutionized perceptions of time, space and community and how the art form of the novel played a special role in synthesizing and understanding it all. Focusing on a trio of road novels by Charles Dickens, he looks first at a key historical moment in the networked community's coming together, then at a subsequent recognition of its tragic limits and finally at the construction of a revised view that expressed the precarious limited omniscient perspective by which passengers came to imagine their journeying in the network.

Dickens and the Imagined Child Peter Merchant, Catherine Waters, 2016-04-22 The figure of the child and the imaginative and emotional capacities associated with children have always been sites of lively contestation for readers and critics of Dickens. In *Dickens and the Imagined Child*, leading scholars explore the function of the child and childhood within Dickens's imagination and reflect on the cultural resonance of his engagement with this topic. Part I of the collection examines the Dickensian child as both characteristic type and particular example.

proposing a typology of the Dickensian child that is followed by discussions of specific children in *Oliver Twist* *Dombey and Son* and *Bleak House* Part II focuses on the relationship between childhood and memory by examining the various ways in which the child's eye view was reabsorbed into Dickens's mature sensibility The essays in Part III focus upon reading and writing as particularly significant aspects of childhood experience from Dickens's childhood reading of tales of adventure they move to discussion of the child readers in his novels and finally to a consideration of his own early writings alongside those that his children contributed to the *Gad's Hill Gazette* The collection therefore builds a picture of the remembered experiences of childhood being realised anew both by Dickens and through his inspiring example in the imaginative creations that they came to inform While the protagonist of *David Copperfield* that favourite child among Dickens's novels comes to think of his childhood self as something which he left behind upon the road of life for Dickens himself leafing continually through his own back pages there can be no putting away of childish things

Ignite the flame of optimism with is motivational masterpiece, **Advances In Charles Dickens Studies** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
