Stanley Jones, 2006-06-01 This updated classic contains 364 daily devotionals revolving around And the Word became flesh John 1:14 and its meaning for a transformed life From his wide experience with world religions and contact with believers across the globe E Stanley Jones explains the difference between Christianity in which God reaches toward humanity through Jesus Christ and other faiths in which humanity reaches toward God in various ways Includes Daily scripture reading commentary a prayer and affirmation for each day Discussion guide for 52 weeks with several questions for reflection and conversation Scripture index Topical index E Stanley Jones 1884-1973 was perhaps the most widely known and admired Christian evangelist of his time He spent a lifetime in missionary work in India Japan and other countries and touched many more lives through his writings Praise for the original volume goes to the heart of the matter for it deals with that which makes the Christian religion unique and enduring among all religions God becoming man a religion rooted and grounded in human history Kirkus Characteristically always spiritually motivated and down to the very heart of life itself Christian Herald *Improving Survey Questions* Floyd J.
