Antarctica And The South Atlantic:

Antarctica and the South Atlantic Robert Fox, 1985 Account of author's trip to Antarctica from the Falkland Islands in 1984 Includes general information on such things as the Antarctic Treaty previous expeditions and history of claims on Antarctica etc Also includes a section on the Falkland Islands The United States, the South Atlantic, and Antarctica Pamela J. McNaught, Naval Postgraduate School (U.S.), 1990 The United States currently has interests in both the South Atlantic Ocean area and in Antarctica which have traditionally taken a back seat to U S interests in other regions In the closing years of the twentieth century those interests likely will receive more attention as the United States and the global community shifts from its traditional focus on East West issues and their conflict potential to more nationalist interests This thesis examines U S interests in the South Atlantic and Antarctica and evaluates the potential challenges to those interests The thesis concludes that while its interests in the South Atlantic remain the United States will find it increasingly more difficult to extend its influence as the countries of the region exert more national will and as extra hemispheric actors gain a more significant foothold The United State, the South Atlantic and Antarctica Naval Postgraduate School, 2015-04-10 The United States currently has interests in the South Atlantic and Antarctica which have traditionally taken a back seat to U S interests in other regions In the closing years of the twentieth century those interests likely will receive more attention as the United States and the global community shifts its attention from the traditional focus on East West issues and their conflict potential to more nationalist interests This thesis examines U S interests in the South Atlantic and Antarctica and evaluates the potential challenges to those interests The thesis concludes that while its interests in the South Atlantic remain the United States will find it increasingly more difficult to extend its influence as the countries of the region exert more national will and as extra hemispheric actors gain a more significant foothold The Astronomical Almanac for the Year ..., 2017
