## **Anthropology In The Margins Of The State School Of American Research Advanced Seminar Series:**

*Anthropology in the Margins of the State* Veena Das, Deborah Poole, 2004 The form and reach of the modern state are changing under the pressure of globalization This exploration of these transformations develops a methodology and theoretical apparatus to assess perceptions of power in regions where state reform and violence have been dramatic Africa Latin America and South Asia      State Violence and Human Rights Steffen Jensen, Andrew Jefferson, 2009-02-13 Addressing how state representatives have to negotiate the tensions between international legal imperatives the expectations of donors the demands of institutions as well as their own interests State Violence and Human Rights addresses how legal practices rooted in global human rights discourse or local demands take hold in societies where issues of state violence remain to be resolved      **Spatializing Law** Franz von Benda-Beckmann, Keebet von Benda-Beckmann, 2016-04-01 Spatializing Law An Anthropological Geography of Law in Society focuses on law and its location exploring how spaces are constructed on the terrestrial and marine surface of the earth with legal means in a rich variety of socio political legal and ecological settings The contributors explore the interrelations between social spaces and physical space highlighting the ways in which legal rules may localise people s rights and obligations in social space that may be mapped onto physical space This volume also demonstrates how different notions of space and place become resources that can be mobilised in social political and economic interaction paying specific attention to the contradictory ways in which space may be configured and involved in social interaction under conditions of plural legal orders Spatializing Law makes a significant contribution to the anthropological geography of law and will be useful to scholars across a broad array of disciplines      Security Blurs Tessa Diphooorn, Erella Grassiani, 2018-12-07 Security Blurs makes an important contribution to anthropological work on security It introduces the notion of security blurs to analyse manifestations of security that are visible and identifiable yet constructed and made up of a myriad and overlapping set of actors roles motivations values practices ideas materialities and power dynamics in their inception and performance The chapters address the entanglements and overlaps between a variety of state and non state security providers from the police and the military to vigilantes community organisations and private security companies The contributors offer rich ethnographic studies of everyday security practices across a range of cultural contexts and reveal the impact on the lives of ordinary citizens This book presents a new anthropological approach to security by explicitly addressing the overlap and entanglement of the practices and discourses of state and non state security providers and the associated forms of cooperation and conflict that permit an analysis of these actors activities as increasingly blurred      **Everyday Activists** Christina M. Getrich, 2025-04-22 Though the youth led social movement forged by undocumented activists has commanded widespread public attention many undocumented young adults are not activists but are nonetheless fighting for immigrant well being and justice in their everyday adult lives by deploying their unique knowledge bases and skill sets and creatively engaging in everyday activism      *Inside Immigration Law* Tobias G.

Eule,2016-05-23 Inside Immigration Law analyses the practice of implementing immigration law examining the different political and organisational forces that influence the process Based on unparalleled academic access to the German migration management system this book provides new insights into the black box of regulating immigration revealing how the application of immigration law to individual cases can be chaotic improvised and sometimes arbitrary and either informed or distorted by the complex politically laden and changeable nature of both German and EU immigration laws Drawing on extensive empirical material including participant observation interviews and analyses of public as well as confidential documents in German immigration offices Inside Immigration Law unveils the complex practices of decision making and work organisation in a politically contested environment A comparative critical evaluation of the work of offices that examines the discretion and client interactions of bureaucrats the management of legal knowledge and symbolism and the relationships between immigration offices and external political forces this book will be of interest to sociologists legal scholars and political scientists working in the areas of migration integration and the study of work and organisations

**Expressions of the Body** Charlotte Baker,2009 This book contributes to a growing corpus of writing on the body bringing new perspectives to this fascinating and topical subject Feminist psychoanalytic and queer readings among others have demonstrated the extent of the functions and roles fulfilled by the body as well as the number of critical perspectives it can serve However by and large African representations of the body have been overlooked This coherent volume brings together essays on the portrayal of the body in African art film literature photography and theatre The book includes thematically linked contributions which explore issues of power and representation and reflects current trends in the study of the body and more broadly within the field of African Studies

**The State in India after Liberalization** Akhil Gupta,Kalyanakrishnan Sivaramakrishnan,2010-10-04 This book assesses the impact of liberalization on practices of government and relations between state and society It is clear that liberalization as state policy has complex forms of regulation and deregulation inbuilt and these policies have resulted in dramatic increases in productivity and economic wealth but also generated spectacular new forms of inequality between social groups regions and sectors Through a detailed examination of the Indian state the contributors all experts in their respective fields explore questions such as Have the new inequalities resulted in greater social unrest and violence How has the meaning of citizenship changed What will the long term effects of regional economic imbalances be on migration employment and social welfare Will increasing federalism result in new problems Will smaller governments be more effective in providing basic necessities such as clothing housing food water and sanitation to citizens What does liberalization mean to Indians in cities and villages in small towns and metropolises in poor middle class or wealthy homes Are concepts like social capital decentralization private enterprise and grass roots globalization effective in analyzing the post liberalization state or are new concepts needed By focusing on what specifically has changed about the state after liberalization in India this volume will shed light on comparative questions

about the process of neoliberal restructuring across the world As such it will be of interest to scholars of a variety of disciplines including sociology anthropology political science geography international studies public policy environmental studies and economics      Forgotten Communities of Telangana and Andhra Pradesh Vijay Korra,2019-10-24 The book discusses the socio cultural historical occupational educational employment and discriminatory status of one of the most neglected and marginalised communities the de notified tribes or ex criminal tribes of Telangana and Andhra Pradesh Based on primary data collected from 14 communities in 11 districts in these states it discusses the current state of affairs concerning de notified tribes There is no accurate and comprehensive information available on the present socio economic status of these communities either in the literature or with government agencies This book provides valuable information on how they are faring in post independence India since their de notification from the Criminal Tribes Act 1871      *Flows and Frictions in Trans-Himalayan Spaces* Gunnel Cederlöf,Willem Schendel,2025-10-01 *Flows and Frictions in Trans Himalayan Spaces* traces movements and connections in a region known for its formidable obstacles to mobility Eight original essays and a conceptual introduction engage with questions of networks and interconnection between people across a bordered landscape Mobility among the extremely varied ecologies of south western China Myanmar and north eastern India with their rugged terrain high mountains monsoon fed rivers and marshy lowlands is certainly subject to friction But today harsh political realities have created hard borders and fractured this trans Himalayan terrain However the closely researched chapters in this book demonstrate that these borders have not prevented an abundance of movements connections and flows Mobility has always coexisted with friction here but this coexistence has been unsettled giving this space its historical shape and its contemporary dynamism Introducing the concept of the corridor as an analytical framework this collection investigates mobility and flows in this unique socio political landscape
