Ireland's Chairmanship of the OSCE United States. Congress. Commission on Security and Cooperation in Europe, 2015 *The Definition of Anti-Semitism* Kenneth L. Marcus, 2015-07-17 What is anti-Semitism Previous efforts to define anti-Semitism have been complicated by the term's disreputable origins discredited sources diverse manifestations and contested politics The Definition of Anti-Semitism explores the ways in which anti-Semitism has historically been defined demonstrates the weaknesses in prior efforts and develops a new definition of anti-Semitism **The Left's Jewish Problem** Dave Rich, 2018-09-20 New updated edition of an important and timely critique of Anti Jewish sentiment on the left There is a sickness at the heart of left wing British politics and in recent years it has silently spread becoming ever more malignant Today it seems hard to believe that until the 1980s the British left was broadly pro Israel And while Jeremy Corbyn's leadership may have thrown a harsher spotlight on the crisis it is by no means a recent phenomenon The widening gulf between British Jews and the anti Israel left now allying itself with Islamist extremists who demand Israel's destruction did not happen overnight or by chance political activists made it happen This book reveals who they were why they chose Palestine and how they sold their cause to the left Based on new academic research Dave Rich's nuanced and thoughtful guide brings fresh insight to an increasingly fraught debate As the question becomes more urgent than ever this new fully updated edition taking in events since 2016 provides an essential guide to the left's increasingly controversial Jewish problem *The Official Dick Van Dyke Show Book [Deluxe Expanded Archive Edition]* Vince Waldron, 2014-05-03 The most acclaimed comedy series of TV's golden age The Dick Van Dyke Show comes to life in this deluxe enhanced eBook that features hundreds of black and white and color photos documents and other rare images that are available only in this expanded edition This fun filled and impeccably researched book takes readers backstage to witness the creation of this TV

classic through the eyes of the show's cast and crew including Carl Reiner, Mary Tyler Moore, Rose Marie, Morey Amsterdam, Larry Mathews, and of course Dick Van Dyke himself. This expanded eBook includes never before published backstage and rehearsal photos, many in full color, as well as the ultimate The Dick Van Dyke Show episode guide which features the cast and title pages of every one of the show's 158 original scripts. Written by Emmy winning writer Vince Waldron, this deluxe edition of The Official Dick Van Dyke Show Book offers readers the last word on the most influential TV comedy ever. It was the very best time of my life and Vince's book helps me recall every treasured moment. Thanks Vince, Dick Van Dyke. What an unexpected pleasure to read a book on a subject about which I thought I knew everything, only to find out that I didn't. A very serious contribution to understanding what really were the best years of my theatrical life. I'd say it was a wonderfully scholarly work, but I won't because I don't want to scare people away from a book that's as much fun to read as this is. Carl Reiner, Producer and creator of The Dick Van Dyke Show. Wonderful! You got all the facts down in the right order. No embellishments. All the truth. Somebody finally got the whole story right. Rose Marie. The Official Dick Van Dyke Show Book is the best reference book on my shelf. It makes it even more fun to watch the show if that's possible. Morey Amsterdam. Vince's tribute to our show offers as accurate a snapshot of the series and the era that begat it as any I've seen. Sheldon Leonard, Executive Producer of The Dick Van Dyke Show. A compelling narrative. Waldron waltzes through the series story as gracefully as Van Dyke sidestepped his living room ottoman. Entertainment Weekly. Vince Waldron lovingly and very thoroughly recounts the history of The Dick Van Dyke Show. Los Angeles Daily News. The definitive history offers a wealth of backstage anecdotes. Emmy Magazine. Entertaining and exhaustively researched, fans of the show will not be disappointed. The Milwaukee Journal Sentinel. A terrific writer and painstaking researcher, it doesn't get any better than this, folks. The TV Collector.

Theological Issues in the Letters of Paul J. Louis Martyn, 2005-12-01 The fruit of decades of research, the picture of Paul that Martyn paints in this major work is arresting, both horrifying and thankful to find in the crucifixion of God's Christ the death of the old cosmos and the birth of the new one. Contending with Antisemitism in a Rapidly Changing Political Climate Alvin H. Rosenfeld, 2021-11-02 Today's highly fraught historical moment brings a resurgence of antisemitism. Antisemitic incidents of all kinds are on the rise across the world, including hate speech, the spread of neo-Nazi graffiti, and other forms of verbal and written threats, the defacement of synagogues and Jewish cemeteries, and acts of murderous terror. Contending with Antisemitism in a Rapidly Changing Political Climate is an edited collection of 18 essays that address antisemitism in its new and resurgent forms. Against a backdrop of concerning political developments such as rising nationalism and illiberalism on the right, new forms of intolerance, and anti-liberal movements on the left, and militant deeds and demands by Islamic extremists, the contributors to this timely and necessary volume seek to better understand and effectively contend with today's antisemitism.

The Routledge History of Antisemitism Mark Weitzman, Robert J. Williams, James Wald, 2023-09-04 Antisemitism is a topic on which there is a wide gap between scholarly and popular understanding and as concern over antisemitism has grown so too have the debates over how to understand and combat it This handbook explores its history and manifestations ranging from its origins to the internet Since the Holocaust many in North America and Europe have viewed antisemitism as a historical issue with little current importance However recent events show that antisemitism is not just a matter of historical interest or of concern only to Jews Antisemitism has become a major issue confronting and challenging our world This volume starts with explorations of antisemitism in its many different shapes across time and then proceeds to a geographical perspective covering a broad scope of experiences across different countries and regions The final section discusses the manifestations of antisemitism in its varied cultural and social forms With an international range of contributions across 40 chapters this is an essential volume for all readers of Jewish and non Jewish history alike
