Antichrist A Systematic Study Of Satans Counterfeit Christ:

The Antichrist; Arthur Pink, 2017-11-18 A W Pink was an English evangelist of Puritan and Calvinist background who lived in the 19th century His work Antichrist is a complete collection of all the Bible s references to an antichrist figure from both the Old and New Testaments Pink first describes the nature of the Antichrist who he will be like what his purpose is etc Then he works through all of the names used to describe the Antichrist in scripture The Lawless One The Son of the Morning The Prince that Shall Come He notes the genius and character of the Antichrist compares him to Christ and even outlines his doom Before conversion Pink was a member of an occult gnostic group and so shows special interest in this dark speculative subject but his work is studied and replete with Biblical references Not for the faint of heart this book serves as both an informative study guide and a warning for modern Christians The Antichrist Arthur W. Pink, George Nathaniel Henry Peters, 2001-09-17 Features an exhaustive scholarly treatment of the biblical names and titles of the Antichrist An important contribution to the study of eschatology **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Vasilii Rozanov and the Creation Adam Ure, 2011-07-28 This book provides the first detailed study in English of the religious philosophy of Vasilii Rozanov one of the most influential and controversial thinkers of Russia s Silver Age It examines his subversion of traditional Russian Orthodoxy including his reverence for the Creation his focus on the family and his worship of sex Rozanov is one of the towering figures of Russian culture a major influence on thinkers and writers such as Bakhtin Maiakovskii and Mandel shtam as well as many European writers He critiqued Orthodox theology and wrote extensively on philosophy literature and politics and helped reform marriage and divorce laws His enormous contribution to Russian thought has been largely neglected and much of his work has been misunderstood Ure addresses this by examining the basis of Rozanov s religious philosophy the Creation of

Pink, George Nathaniel Henry Peters, Features an exhaustive scholarly treatment of the biblical names and titles of the Antichrist An important contribution to the study of eschatology The Antecedents of Antichrist L.J. Lietaert Peerbolte, 2021-12-06 The present volume discusses the earliest Christian views on eschatological opponents and their backgrounds in contemporary Judaism It treats the rich variety of early Christian speculations on the subject and shows that within this variety a continuity with Jewish speculations is to be discerned Part One of this book treats the early Christian passages of the period up to Irenaeus that contain speculations on the coming of an eschatological opponent Part Two offers a survey of Jewish expectations that formed the basis for the Christian speculations discussed After the General Conclusion the book finishes with an extensive Bibliography and an Index The book is of interest to any student of early Christian eschatology and the continuity between early Christianity and contemporary Judaism The Nero-Antichrist Shushma Malik, 2020-04-16 Refutes the commonly held perception that Nero should be understood as the Antichrist figure in the Bible and argues instead that this paradigm was a product of late antiquity The paradigm s success facilitated its revival in the nineteenth century against the backdrop of the era s fin de si cle anxieties and religious controversies *Systematic Theology* Lewis Sperry Chafer, 1993-01-01 The original eight volumes now complete and unabridged in four Though scholarly in the true sense of the word this work can also be read and understood by those not formally trained in theology Charles C Ryrie **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *Red carpet for the Antichrist* Hieromonk (Archimandrite) David Tselikas, 2015-02-01 A few hours after his triumph at the UN everyone has come to consider the brilliant solutions to international problems he proposes to be some kind of miracle Later appears all smiles and full of self confidence at the Olympic Stadium for a ceremony that will prove to be an unprecedented spectacle The global digital television broadcasts the crowd going wild As he passes by with a bounce in his step and smiling cordially a sea of hands rises all of them making his sign Many try desperately to touch him he s the perfect idol of every nation class and age As he reaches the microphone the stadium quakes Millions of people are captivated He s amazing he s a genius he s the hope of the world a phenomenon one of a kind a god Who would believe that he s the Antichrist Who could resist him
