

A PRACTICAL AND EXPLANATORY
COMMENTARY
ON
THE NEW TESTAMENT.

BY
THE REV. EDWARD HENRY BICKERSTETH, M.A.,
PROFESSOR OF EXEGETICAL THEOLOGY, AND CHAPLAIN TO THE LORD BISHOP OF BATH.

"The words of God are to theology what the facts of nature are to science: they may not be set aside by reasoning, whether we ever investigate them or not, they claim the obedience of faith."—*W. Tuck.*

LONDON:
VIRTUE & CO., CITY ROAD AND IVY LANE.

Antijudaism In The New Testament

Rabbi Michael J. Cook, PhD

Antijudaism In The New Testament:

Anti-Judaism in the New Testament Gerald Sigal, 2004-04-05 This volume is a systematic critique of the anti Jewishness of the New Testament Its primary purpose is to delineate what the New Testament authors intended to convey to their respective audiences concerning the Jewish people That is this volume is concerned with the initial meaning intended by the New Testament authors and how this intended meaning directly and with forethought contributed to Christian anti Judaic¹ thought and action We will investigate how and why the New Testament authors created this anti Judaic climate Analysis of the Gospel stories demonstrates that anti Judaism is woven into the fabric of a significant part of the New Testament narrative This narrative has provoked bitter condemnation and persecution of Jews The Jewish people were cast in the role of a dark satanic force as a systematic denigration and demonization of the Jews took place It is to its harsh and bitter polemic against the entire Jewish people that one must ascribe the accusations of the Jews being Christ killers and children of Satan and the later embellishments of Jews as host desecrators ritual murders and well poisoners Post New Testament developments of Christian anti Judaism are not central to this study In pursuing our investigation we will make a distinction between what was originally intended by the New Testament authors and the usage made of their works to meet the anti Judaic needs of the subsequent church Conclusions reached by later interpreters that have often been attributed to the authors of the Gospels are not our primary concern It is not a question of how or to what extent the New Testament passages concerning Jews and Judaism were misused or misread in later centuries but of what they were meant to mean in the first place Thus our focus will be on what the authors meant to convey to their respective contemporary audiences about the Jews What would the New Testaments audience have understood from the information its various authors provided What meaning would a reader derive from a particular text Is the New Testament anti Jewish or is it merely an accurate report of events as they took place Answers can only come through an examination of the relevant passages in their specific literary contexts as well as in the context of the struggles aspirations and theologies of the early church Special attention must be paid to the relationship between the church and the Roman authorities on the one hand and the synagogue on the other hand at the time the various books of the New Testament were written and to polemics within the early church community The New Testament was not written solely to condemn the Jews But in the process of developing the several story lines that evolved into the four respective canonical Gospels the early church adopted a decidedly anti Judaic stance Consequently in its final form instances of anti Judaic sentiment are found in much of the New Testament the Gospels in particular This animosity has to do as much with politics as with theological doctrine relations with the Roman imperial authorities as with displacing Jews and Judaism If pre Gospel traditions already included anti Judaic elements they were now systematically exploited There was a growing need to explain why Israel Gods chosen people had rejected Jesus and the message of his disciples How could this be reconciled with Gods will In presenting Jesus as the Messiah and Christianity as superseding

Judaism Paul and the authors of the Gospels and Acts in particular indict the Jewish people for the death of Jesus and spread antipathy of Jews and Judaism as part of a program to achieve Christian ascendancy The historicized core myths that provide the basis for the New Testament missionary program were shaped and reshaped to show that the church possessed full authenticity and validity contra Jews and Judaism The New Testament auth

Anti-Judaism and the Gospels William R. Farmer, 1999-07-01 When and under what circumstances did the Gospel texts begin to serve anti Jewish ends Can it be said accurately and fairly that the evangelists were anti Jewish Are there tendencies in the Gospels that were originally intended by the evangelists to injure the Jewish people or their religion or to work against the interests of the Jewish people and or their religion These and other issues were addressed in a three year research project that culminated in a fall 1996 convocation at which five major research papers were presented with two respondents to each paper The papers and responses are now made available for the first time in this volume Major presentations include Anti Judaism and the Gospel of Matthew Amy Jill Levine Anti Judaism and the Gospel of Luke Daryl D Schmidt Anti Judaism and the Gospel of John David Regensberger Something Greater than the Temple Robert Louis Wilken Anti Judaism in the Critical Study of the Gospels Joseph B Tyson Reflections on Anti Judaism in the New Testament and in Christianity E P Sanders This book succeeds in giving a comprehensive view of the problem it addresses and the papers are clear forthright presentations that will help the reader see what the issues were when the Gospels were written and what they still are E P Sanders Duke University William R Farmer is Professor of New Testament at the University of Dallas and co editor of *Jesus and the Suffering Servant* Isaiah 53 and *Christian Origins* Trinity 1998

Anti-Judaism in Early Christianity: Paul and the Gospels Peter Richardson, David Granskou, Stephen G. Wilson, Canadian Corporation for Studies in Religion, 1986-04-30 The period since the close of World War II has been agonizingly introspective not least because of the pain of reassessing Christianity's attitude to Judaism The early Christian materials have often been examined to assess their role in the long standing negative attitude of Christians to Jews The motivation for the early church's sometimes harsh attitude was partly theological it needed to define itself over against its parent and partly sociological it needed to make clear the line that divided the fledgling group of Christian believers from the group with which it was most likely to be confused This collection of studies emphasizes the context and history of early Christianity in reconsidering many of the classic passages that have contributed to the development of anti Judaism in Christianity The volume opens with an essay that clearly delineates the state of the question of anti Judaism in early Christianity Then follow discussions of specific passages in the writings of Paul as well as the Gospels

Jesus, Judaism, and Christian Anti-Judaism Paula Fredriksen, Adele Reinhartz, 2002-01-01 Current scholarship in the study of ancient Christianity is now available to nonspecialists through this collection of essays on anti Judaism in the New Testament and in New Testament interpretation While academic writing can be obscure and popular writing can be uncritical this group of experts has striven to write as simply and clearly as possible on topics that have been hotly contested The essays are

arranged around the historical figures and canonical texts that matter most to Christian communities and whose interpretation has fed the negative characterizations of Jews and Judaism A select annotated bibliography also gives suggestions for further reading This book should be an excellent resource for academic courses as well as adult study groups

Jews and Anti-Judaism in the New Testament Terence L. Donaldson, 2011-01-01 Jews and Anti Judaism in the New Testament offers a balanced sensitive and erudite guide to the precarious issues of anti Semitism anti Judaism and supersessionism in the New Testament Combining adept navigation of the relevant literature both classics of the field and more recent forays with a keen exegetical analysis of the Christian canon Terence L Donaldson maps the major New Testament writings across three axes self definition degree of separation and rhetorical intent In doing so he successfully brings his readers up to speed on this crucial discussion even while pushing the conversation forward with intellectual force and exegetical savvy

Anti-Judaism in Early Christianity Peter Richardson, David Granskou, 2006-01-01 The period since the close of World War II has been agonizingly introspective not least because of the pain of reassessing Christianity's attitude to Judaism The early Christian materials have often been examined to assess their role in the long standing negative attitude of Christians to Jews The motivation for the early church's sometimes harsh attitude was partly theological it needed to define itself over against its parent and partly sociological it needed to make clear the line that divided the fledgling group of Christian believers from the group with which it was most likely to be confused This collection of studies emphasizes the context and history of early Christianity in reconsidering many of the classic passages that have contributed to the development of anti Judaism in Christianity The volume opens with an essay that clearly delineates the state of the question of anti Judaism in early Christianity Then follow discussions of specific passages in the writings of Paul as well as the Gospels

Anti-Judaism and the Gospel of John Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in the Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the apocryphal polemics one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity

Antisemitism in the New Testament Lillian C. Freudmann, 1994 This is the first book since the canonization of the New Testament which studies its anti Jewish contents on a thorough systematic verse by verse basis The author identifies every misquotation and mistranslation from the Hebrew Bible and rebuts every antisemitic assertion in the Christian Scriptures The book examines the historical background in which the Gospels and Epistles were written and how contemporary

conditions affected their contents The final chapter deals with the impact of the New Testament on Jews and Christians for the past two millennia and the possibilities of revising this trend through alternate interpretations Contents When and How it all Started The Tanakh According to the Gospel On Reinventing Paul The Letters that Started a Religion The Law According to Paul The View of the Jew in the Gospels and Acts Where Do We Go From Here Bibliography Indexes

Modern Jews Engage the New Testament Rabbi Michael J. Cook, PhD, 2012-04-15 An honest probing look at the dynamics of the New Testament in relation to problems that disconcert Jews and Christians today Despite the New Testament's impact on Jewish history virtually all Jews avoid knowledge of its underlying dynamics Jewish families and communities thus remain needlessly stymied when responding to a deeply Christian culture Their Christian friends meanwhile are left perplexed as to why Jews are wary of the Gospel's good news This long awaited volume offers an unprecedented solution oriented introduction to Jesus and Paul the Gospels and Revelation leading Jews out of anxieties that plague them and clarifying for Christians why Jews draw back from Christians sacred writings Accessible to laypeople scholars and clergy of all faiths innovative teaching aids make this valuable resource ideal for rabbis ministers and other educators Topics include The Gospels Romans and Revelation the Key Concerns for Jews Misusing the Talmud in Gospel Study Jesus Trial the Virgin Birth and Empty Tomb Enigmas Millennialist Scenarios and Missionary Encroachment The Last Supper and Church Seders Is the New Testament Antisemitic While written primarily with Jews in mind this groundbreaking volume will also help Christians understand issues involved in the origin of the New Testament the portrayal of Judaism in it and why for centuries their good news has been a source of fear and mistrust among Jews

Herodian Judaism and New Testament Study William Horbury, 2006 This book presents a selection of William Horbury's recent essays Those collected in Part I seek to trace the profile of Herodian Jewish piety its Greek and Roman setting and its reflection in Christianity Monotheism mysticism perceptions of Moses and the Temple are all considered in this way and a Jewish context for the term gospel and the institution of the Lord's Supper is suggested Part II treats modern New Testament study with special attention to its links with study of the classical and Jewish traditions and a survey on British study in its international setting

This is likewise one of the factors by obtaining the soft documents of this **Antijudaism In The New Testament** by online. You might not require more epoch to spend to go to the ebook commencement as well as search for them. In some cases, you likewise do not discover the publication Antijudaism In The New Testament that you are looking for. It will completely squander the time.

However below, subsequently you visit this web page, it will be therefore certainly easy to acquire as without difficulty as download lead Antijudaism In The New Testament
