

THE ULTIMATE GUIDE TO SUSTAINABLE FASHION CERTIFICATIONS FOR A GREENER FUTURE

Textile Standard (GOTS): This is one of the most trusted certifications for organic textiles. It covers the entire supply chain, from the harvesting of raw materials to the final product. It includes environmental and social criteria.

This certification evaluates products based on their environmental impact throughout their entire life cycle. It assesses factors like material health, renewable energy use, and social

responsibility. This certification ensures that products are produced in a sustainable manner, with a focus on improving the lives of workers and communities.

Sustainable Apparel Coalition (SAC): This organization has developed a framework to measure the environmental and social impact of apparel and footwear products. The **Higg Index** is one of the most widely used tools for measuring sustainability in the industry.

Environmental Trade Initiative (ETI): This certification focuses on improving working conditions and workers' rights in the fashion industry. It encourages companies to take a collaborative approach to addressing social and environmental issues.
