Mind Over Matter Jordin Tootoo, Stephen Brunt, 2025-10-07 Following the bestselling success of the inspiring *All the Way* pioneering Inuit NHLer Jordin Tootoo begins the process of healing in the wake of the suicide and violence that marks his family only to discover the source of all that trauma in his father s secret past For some hockey players retirement marks the moment when it s all over But Jordin Tootoo is not most hockey players Having inspired millions when he first broke into the league Tootoo continued to influence people throughout his career not only through his very public triumph over

alcoholism but also his natural charisma And now years after hanging up his skates he is more committed to doing things the right way and speaking about it to others whether it s corporate executives or Indigenous youth But the news of unmarked graves on the grounds of residential schools brought back to life many of the demons that had haunted his family In a moment of realization that left him rattled and saddened Tootoo fit the pieces together The years that were never spoken of The heavy drinking The all too predictable violence His father was a survivor marked by what he had survived As he travels back to Nunavut to try to speak with his father about what haunts him he encounters the ghosts of the entire community Still as Tootoo says we are continuously learning and rewriting our story at every step He has learned from his mistakes and his victories He has learned from examples of great courage and humility He has learned from being a father and a husband And he has learned from his own Inuk traditions of perseverance and discipline in the face of hardship Weaving together life s biggest themes with observations and experiences Jordin shares the kind of wisdom he has had to specialize in the hard won kind

Mind over Matter Sarah Eron,2021-04-01 How do we understand memory in the early novel Departing from traditional empiricist conceptualizations of remembering Mind over Matter uncovers a social model of memory in Enlightenment fiction that is fluid and evolving one that has the capacity to alter personal histories Memories are not merely imprints of first hand experience stored in the mind but composite stories transacted through dialogue and reading Through new readings of works by Daniel Defoe Frances Burney Laurence Sterne Jane Austen and others Sarah Eron tracks the fictional qualities of memory as a force that much like the Romantic imagination transposes time and alters forms From Crusoe s island and Toby s bowling green to Evelina s garden and Fanny s east room memory can alter reconstitute and even overcome the conditions of the physical environment Memory shapes the process and outcome of the novel s imaginative world making drafting new realities to better endure trauma and crises Bringing together philosophy of mind formalism and narrative theory Eron highlights how eighteenth century novelists explored remembering as a creative and curative force for literary characters and readers alike If memory is where we fictionalize reality fiction and especially the novel is where the truths of memory can be found

Mind over Matter Alphonse Domaine,2019-07-23 From early youth I was fascinated by logic philosophy and mathematics Then I went to college and discovered the mind body problem which drives the other Slowly I realized that this would give me justification on an intellectual level for the actions I would later take But those actions would prove to be far from intellectual

Mind over Matter: How Spirituality Changes Lives ,2025-02-27 Mind over Matter is an interdisciplinary collection of essays exploring how spirituality changes lives in a variety of ways Unlike much philosophically rooted literature on spirituality it encourages an understanding of what can be achieved through faith belief and self confidence without reliance on specific or necessarily any religious doctrines or views From theistic non theistic or atheistic perspectives each chapter addresses a distinctive phenomenon for example spirituality and healing spirituality and art spirituality and running and spirituality as a response to disaster Not only do they integrate the results of scientific

research and other intellectual investigations to illuminate accomplishments and sometimes possible sources of failure but they are also written by academics with practical experience in relevant areas or at least informed by ideas of practitioners
