not a farmer and thanks to my father s insistence I discovered the Merchant Marine and found a home there Unfortunately that was short lived the war ended and it was back to the farm No that was not for me The Army sounded fine for a lost soul but it got me into another war where I rose to the rank of Staff Sergeant as I toured Europe until honorably discharged My military service helped me with twenty five years of gainful employment and experience in the rocket and space business until retirement and dreaming of publishing this book in later years that have finally come To those who read this and didn t finish schooling go back or look at those ten fingers and say Teach me what I need to know to succeed [Catalog of](#)
