William Smith Jr.,2012-06-12 Another tragic experience causes Alex to fall into a nightmarish sleep and the following words flow into his subconscious As result of traumatic events in your past lives you have internalized a deep set fear of love abandonment and commitment You will never be able to share love with another person unless you can liberate yourself from those damaging wounds Failure to heal them in this life will result in a need to return yet again with the same tasks at hand A marriage vow to Jenny is the path to heal your soul Interwoven in this karmic story of healing are passions murder and betrayal which are revealed through hypnotic regression This was the way out to make the heart healing possible When Alex is close to death Jennys love brings him back This story can answer some of your real life hidden questions *Love Heals a Broken Heart (Trust Me)* Jacquetta Wyse,2009-09-01 Kenitra McKenzie lives in Austin with her husband Caleb and their five year old son Seth She is an active member of her church along with her devoted husband and life was a blessed one but there looms a darkness in the form of Calebs best friend Dalton Anders He has resents her ever since she met Caleb in college and even more when their relationship blossoms into marriage He goes out of his way to undermine their marriage in anyway possible and despite the many chances Caleb gives him to make amends but it didnt seem to do any good Caleb is forced to end his longtime friendship with Dalton for the sake of his marriage and to shield his son from the godly behavior Dalton portrays in view of his son The decision Caleb makes didnt set too well with Dalton and vows in his heart to somehow get even with the woman who destroyed his friendship with Caleb but first he had to make it appear he no longer has any resentment toward Kenitra It is during Seths sixth birthday party that he arranges an air show to set his revenge in motion Kenitra is devastated when Dalton maliciously murders her beloved husband and his supposedly godson in front of her He looks at her without any remorse and leaves her for dead after shooting her but his brutal attempt to kill her fails He is convicted of murder as well as attempted murder Kenitra tries to put the pieces of her shattered life back together but it is nearly impossible when her mother in law constantly blames her for their deaths when they were her life She began to blame God for all that has happened since He is big enough to have stopped it from ever happening in the first place Her best friend Stephanie who is also Calebs sister only reminds her of what didnt have any longer She feels like she has nothing left after this tragedy and turns her back on Most High God and runs from everything that reminds her of the life she once had Kenitra

didn't care about anything or anyone after that and traveled from one place to another till she settles in England. She lives there for years before being led to move to Kennebunk Beach, ME, where she meets a teenager named Mercedes Branden. After converting an abandoned bar into a health food café, Mercedes lands a job working for her and introduces her brother. The first day of her new job, Philip, a pastor, is immediately drawn to her and soon discovers Kenitra is agnostic and doesn't believe in God but has no idea she would later become the woman of his dream. Kenitra didn't have any intentions of falling for anyone, especially someone like Philip, since she resents his religious beliefs. But in time, her feelings for him change, and much to her surprise, she marries Philip 18 months later. The moral is love does heal a broken heart when God is doing the healing, so trust Him with all of your problems because He has the answers.
