LEATHERSTOCKING TALES - Complete Collection James Fenimore Cooper, 2023-12-30 James Fenimore Cooper's *Leatherstocking Tales Complete Collection* is a seminal work in American literature that encapsulates the tumultuous relationship between man and nature during the nascent years of the United States. Spanning five novels, this collection follows the adventures of Natty Bumppo, a frontiersman who embodies the ideals of the American wilderness. Cooper's vivid prose and richly descriptive style transport readers to a world marked by the conflicts of civilization and the untamed frontier, reflecting the socio-political landscapes of early 19th-century America. The narratives are infused with themes of individualism, environmentalism, and the critique of societal norms, offering a captivating exploration of the American identity. James Fenimore Cooper, often regarded as the first significant American novelist, was born in 1789 in Burlington, New Jersey. His passionate engagement with the themes of frontier life and Native American culture was deeply influenced by his own experiences growing up in an era of westward expansion. As a man of the frontier, Cooper sought to capture the essence of his country's nascent spirit, which ultimately led to his creation of the iconic character Natty Bumppo, a figure that resonates with authenticity and rugged idealism. *Leatherstocking Tales Complete Collection* is an essential read for anyone interested in understanding the foundations of American literature and the complexities of the early American ethos. Cooper's blend of adventure, moral reflection, and profound insights into nature make this collection a timeless treasure that invites readers to ponder their own place within the ever-evolving narrative of America.

Tales Edgar Allan Poe, 1909 *Celtic Fairy Tales* Joseph Jacobs, 2014-08-05 Originally published in 1892, this beautifully written collection of Celtic fairy tales is bound to enrapture. Filled to the brim with, as Joseph Jacob says, both the best and the best-known folk tales of the Celts, this is the first of his two collections of Celtic folklore. Included in this charming collection are tales of romance, tales that will make you laugh, and tales with sadness intertwined. The twenty-six story medley includes Guleesh Conal, Yellowclaw, The Shepherd of Myddvai, The Story of Deirdre, The Wooing of Olwen, The Sea Maiden, Jack and his Master, Beth Gellert, The Battle of the Birds, The Lad with the Goat Skin, and many more. The magic of these stories is brought to life with fantastical sketches by John D. Batten that are interspersed throughout the pages, including eight full-page illustrations. The wonder, witchcraft, and magic found in Celtic tales are sure to enrapture all readers, young and old alike. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore, and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
