Biography Of An Obsessions Germans:

Germans George Bailey, 1991 First published 20 years ago this book has been revised and reissued to reflect the changes that have taken place in Germany since then and more particularly since reunification in 1990 The book examines the vexed question of German nationhood and asks whether the new unified Germany is free of the influences that have made German nationalism such a menace in the past

Germans George Bailey, 1974 The Great German Nation Craig White, 2007-09 Who exactly are the Germans From which ancestor of Noah do they descend Might their roots be found in the ancient Middle East Does the Bible God's precious Word have anything to say with regard to the very talented German peoples and their ancient roots Or does God ignore major nations such as Germany in His Word These fascinating and highly talented people have been central to world history Notice a chilling comment in an article on Russia by Peter Zeihan history really does run in cycles Take Europe for example European history is a chronicle of the rise and fall of its geographic center As Germany rises the powers on its periphery buckle under its strength and are forced to pool resources in order to beat back Berlin As Germany falters the power vacuum at the middle of the Continent allows the countries on Germany's borders to rise in strength and become major powers themselves Since the formation of the first Germany in 800 this cycle has set the tempo and tenor of European affairs A strong Germany means consolidation followed by a catastrophic war a weak Germany creates a multilateral concert of powers and multistate competition often involving war but not on nearly as large a scale For Europe this cycle of German rise and fall has run its course three times the Holy Roman Empire Imperial Germany Nazi Germany and is only now entering its fourth iteration with the reunified Germany

The Panzer Killers Daniel P. Bolger, 2022-05-03 A general turned historian reveals the remarkable battlefield heroics of Major General Maurice Rose the World War II tank commander whose 3rd Armored Division struck fear into the hearts of Hitler's panzer crews The Panzer Killers is a great book vividly written and shrewdly observed The Wall Street Journal Two months after D Day the Allies found themselves in a stalemate in Normandy having suffered enormous casualties attempting to push through hedgerow country Troops were spent and American tankers lacking the tactics and leadership to deal with the terrain were losing their spirit General George Patton and the other top U S commanders needed an officer who knew how to break the impasse and roll over the Germans they needed one man with the grit and the vision to take the war all the way to the Rhine Patton and his peers selected Maurice Rose The son of a rabbi Rose never discussed his Jewish heritage But his ferocity on the battlefield reflected an inner flame He led his 3rd Armored Division not from a command post but from the first vehicle in formation charging headfirst into a fight He devised innovative tactics made the most of American weapons and personally chose the cadre of young officers who drove his division forward From Normandy to the West Wall from the Battle of the Bulge to the final charge across Germany Maurice Rose's deadly division of tanks blasted through enemy lines and pursued the enemy with a remarkable intensity In The Panzer Killers Daniel P Bolger a retired lieutenant general and Iraq War veteran offers up

a lively dramatic tale of Rose's heroism Along the way Bolger infuses the narrative with fascinating insights that could only come from an author who has commanded tank forces in combat The result is a unique and masterful story of battlefield leadership destined to become a classic *Winston Churchill, A Biography* René Kraus, 2022-08-16 In *Winston Churchill A Biography* Ren Kraus offers a meticulous examination of the life and legacy of one of the most formidable figures of the 20th century Employing an engaging narrative style enriched with vivid detail Kraus explores Churchill's multifaceted persona politician soldier orator and historian Within the larger context of World War II and the geopolitical shifts of the era this biography presents not just a chronological account but also a nuanced analysis of Churchill's complex character motivations and the enduring impact of his leadership on global history Ren Kraus a historian with a profound interest in wartime politics and leadership draws upon an extensive array of primary sources including letters speeches and contemporaneous accounts His academic background and passion for 20th century history inform this biography allowing him to weave personal anecdotes with historical context that illuminate the trials and tribulations faced by Churchill Kraus's admiration for Churchill's resolute spirit reveals itself in his insightful interpretations making the biography both scholarly and accessible to the general reader For anyone seeking to understand the weight of leadership during perilous times or to learn about the character of one of history's most significant leaders Kraus's biography is indispensable Through rich storytelling combined with rigorous analysis readers will gain a deeper appreciation of Churchill's role in shaping the modern world making this work essential for both history buffs and casual readers alike Nazi-Deutsch/Nazi German Karen Doerr, 2002-01-30 Created and used as an instrument of coercion and indoctrination the Nazi language *Nazi Deutsch* reveals how the Nazis ruled Germany and German occupied Europe fought World War II and committed mass murder and genocide employing language to encode and euphemize these actions Written by two scholars specializing in socio linguistic and historical issues of the Nazi period this book provides a unique extensive meticulously researched dictionary of the language of the Third Reich It is an important reference work for English and German speaking scholars students and teachers of the interwar years the Nazi era World War II and the Holocaust The first and only comprehensive German English dictionary of the Third Reich language the book provides clear concise expert definitions with background information Using up to date research the book provides access in a single volume to a specialized charged vocabulary including the terminology of Nazi ideology propaganda slogans military terms ranks and offices abbreviations and acronyms euphemisms and code names Germanized words slang chauvinistic and anti Semitic vocabulary and racist and sexist slurs The volume is an indispensable tool for research study and reading about World War II and the Holocaust Rundschau ,1973 **The Seductions of Biography** David Suchoff, Mary Rhiel, 2016-02-04 *The Seductions of Biography* is an important volume which sheds new light on a flourishing literary form the biography In postmodern culture new methods and intentions emerge as well as new obstacles towards our understanding of biography as a genre This book provides a thorough exploration of this genre from a wide

range of postmodern perspectives The Seductions of Biography brings together a number of essays which reflect in culturally critical as well as autobiographical terms on current themes and practices of contemporary biography Issues addressed by these essays focus on the postmodern dilemma itself as new voices from excluded communities make themselves heard in biographical works the decentralization of new issues such as gender ethnicity and sexuality becomes problematic Contributors question the responsibilities a biographer has both to the subject and the public and consider also questions of morality and taste for example is it fair to use private tapings made by your subject s analyst And how much do we really need to know about Eleanor Roosevelt s sex life The impact of sexuality on our reading of public figures is addressed as well as other issues which explore the popular and provocative nature of biography Interdisciplinary and wide ranging in scope The Seductions of Biography will appeal to biographers historians cultural critics and the vast population of avid biography readers Contributors Kwame Anthony Appiah Clark Blaise Marilyn L Brownstein Blanche Wiesen Cook John D Emilio Jeffrey Louis Decker Michael Eric Dyson Diana Fuss Marjorie Garber Henry Louis Gates Jr Hayden Herrera Maurice Isserman Barbara Johnson William S McFeely Diane Wood Middlebrook Richard J Powell Phyllis Rose Doris Sommer Marita Sturken Sherley Anne Williams Jean Fagan Yellin
