Biographisches Lexikon Zur Weimarer Republik:

Biographisches Lexikon zur Weimarer Republik Wolfgang Benz, Hermann Graml, 1988 Lexikon mit rd 500 biografischen Kurzartikeln zu Personen aus allen Bereichen des öffentlichen Lebens in der 1. deutschen Republik *Deutsche biographische Enzyklopädie* Rudolf Vierhaus, 2005 The Deutsche Biographische Enzyklopädie DBE Dictionary of German Biography is now available in a completely new edition It provides information on about 63 000 individuals whose lives works and achievements are considered remarkable to this very day and who remain part of German cultural heritage This includes men and women from all aspects of public life In this encyclopaedia reaching back as far as the Early Middle Ages Austrians and German speaking Swiss are also included as are people from other places whose journeys through life led them to German speaking regions where they made a significant impact The articles of the first edition including supplements have been thoroughly revised and updated for the new edition and 7 500 new articles were added They contain all important details in compact form details on the individuals background education influential encounters career the areas in which they worked and were influential characteristic works and achievements friendships and relationships membership of groups and associations reception and in special cases prizes and honours Connections and relations between persons families and social groups as well as traditions and schools of thought are illustrated through a refined system of cross references between the articles In general a reference to further reading is provided at the end of each entry 1 300 articles are written and signed by recognised experts Those articles unfurl the lives achievements and influence of exceptional individuals in greater depth and most are highlighted with portraits of these persons Details about the people and references to further literature are brought up to current standards of biographical research Thus there now exists an indispensable biographical encyclopaedia which should not be missing in any library For easy access to the alphabetically arranged volumes the Index of Persons in volume 11 lists all the names of historically recorded persons occurring in volumes 1-10 who either have their own individual articles or are mentioned in the texts Name variations birth names pseudonyms etc are itemized in a referral system The Index of Places in volume 12 lists the places referred to in volumes 1-10 in alphabetical order Reference is made to place of birth activity and death Places sharing the same name are identified by the provision of additional information such as the district For places in previous German or Austrian territories the name in the current language of the country in question is used

The Weimar Republic Sourcebook Anton Kaes, Martin Jay, Edward Dimendberg, 2023-11-15 A laboratory for competing visions of modernity the Weimar Republic 1918-1933 continues to haunt the imagination of the twentieth century Its political and cultural lessons retain uncanny relevance for all who seek to understand the tensions and possibilities of our age The Weimar Republic Sourcebook represents the most comprehensive documentation of Weimar culture history and politics assembled in any language It invites a wide community of readers to discover the richness and complexity of the turbulent years in Germany before Hitler's rise to power Drawing from such primary sources as magazines newspapers manifestoes

and official documents many unknown even to specialists and most never before available in English this book challenges the traditional boundaries between politics culture and social life Its thirty chapters explore Germany's complex relationship to democracy ideologies of reactionary modernism the rise of the New Woman Bauhaus architecture the impact of mass media the literary life the tradition of cabaret and urban entertainment and the situation of Jews intellectuals and workers before and during the emergence of fascism While devoting much attention to the Republic's varied artistic and intellectual achievements the Frankfurt School political theater twelve tone music cultural criticism photomontage and urban planning the book is unique for its inclusion of many lesser known materials on popular culture consumerism body culture drugs criminality and sexuality it also contains a timetable of major political events an extensive bibliography and capsule biographies This will be a major resource and reference work for students and scholars in history art architecture literature social and political thought and cultural film German and women's studies A laboratory for competing visions of modernity the Weimar Republic 1918-1933 continues to haunt the imagination of the twentieth century Its political and cultural lessons retain uncanny relevance for all who seek to understand the tensions and possibilities

Dictionary of German Biography (DGB). Volume 8, Plett-Schmidseder Walther Killy, Rudolf Vierhaus, 2011-11-30 No detailed description available for Plett Schmidseder

Schmidt - Theyer Walther Killy, Rudolf Vierhaus, 2011-11-30 The Dictionary of German National Biography is unique complete and comprehensive with biographies of 60 000 people from the German speaking world It covers not only individuals from Germany but also from Austria Switzerland and other countries where German is or used to be spoken Coverage stretches all the way from the time of Charlemagne to the present day and includes lesser known as well as world famous Germans In order to ensure that entries were as objective as possible only individuals whose life and works have come to an end were included

The Weimar Republic Detlev Peukert, 1993-09 About half of Kolb's compact book is devoted to a Historical Survey chronologically divided at the conventional watersheds of 1923-24 and 1929-30 A briefer second part a historiographical essay in seven topical chapters is followed by a seven page chronology a 676 item classified and topical bibliography and an index The bibliography updated to February 1987 includes some English language titles not in the original German edition and is a list of tremendous value Frequent references to individual entries as well as to some works not found there tie the bibliography to the historiographical essay which is characterized by fair and judicious appraisal of interpretations of the period even when Kolb clearly disagrees There is a chapter on the revolution of 1918 and its aftermath in the first section and one on art and mass culture in the second each section of the survey also has one chapter focusing on foreign policy and one on domestic developments

The Weimar Republic Eberhard Kolb, 1988 This major textbook charts the complex history of the first German republic In the first part of the book Professor Kolb provides a clear historical narrative of the political social economic and cultural developments of the Weimar Republic setting it within the international context of the inter war period In the second part he surveys and analyses scholarly research in the field which sheds light on

the problems and controversies of the period in home and foreign affairs Professor Kolb investigates important areas of controversy such as the role of the Reichswehr the army in politics the relation of employers and trade unions and the causes and effects of the disastrous inflation of 1923 In foreign affairs he discusses a reassessment of the Treaty of Versailles In the last period of the Republic the authors considers Brüning's role in 1930 2 Papen's dissolution of the Prussian government and the multiple causes that brought the Nazis to power The book is both an excellent introduction to the history of the Weimar Republic and a guide to the state of research for more advanced students From publisher's description **Thibaut - Zycha** Walther Killy, Rudolf Vierhaus, 2011-11-30 No detailed description available for Thibaut Zycha **Weimar** Arthur Jacobson, Bernhard Schlink, 2001-01-06 This selection of the major works of constitutional theory during the Weimar period reflects the reactions of legal scholars to a state in permanent crisis a society in which all bets were off Yet the Weimar Republic's brief experiment in constitutionalism laid the groundwork for the postwar Federal Republic and today its lessons can be of use to states throughout the world Weimar legal theory is a key to understanding the experience of nations turning from traditional religious or command and control forms of legitimation to the rule of law Only two of these authors Hans Kelsen and Carl Schmitt have been published to any extent in English but they and the others whose writings are translated here played key roles in the political and constitutional struggles of the Weimar Republic Critical introductions to all the theorists and commentaries on their works have been provided by experts from Austria Canada Germany and the United States In their general introduction the editors place the Weimar debate in the context of the history and politics of the Weimar Republic and the struggle for constitutionalism in Germany This critical scrutiny of the Weimar jurisprudence of crisis offers an invaluable overview of the perils and promise of constitutional development in states that lack an entrenched tradition of constitutionalism *From Weimar to Hitler* E.J. Feuchtwanger, 1993-10-15 Weimar Germany continues to fascinate and to inspire controversy Particularly in Germany there has been a spate of recent research which calls for a fresh synthesis This book takes a new look at the current debate on the major themes the revolution hyperinflation Weimar welfarism the labour movement the liberal intelligentsia the Conservative Revolution the policies of the Brüning government and the rise of Nazism It highlights the interconnections in a complex society between developments in different spheres and shows that Hitler's assumption of power was never inevitable

Lexikon Zur Weimarer Republik full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Biographisches Lexikon Zur Weimarer Republik eBooks, including some popular titles.

FAQs About Biographisches Lexikon Zur Weimarer Republik Books

What is a Biographisches Lexikon Zur Weimarer Republik PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Biographisches Lexikon Zur Weimarer Republik PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Biographisches Lexikon Zur Weimarer Republik PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a**

Biographisches Lexikon Zur Weimarer Republik PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Biographisches Lexikon Zur Weimarer**

Republik PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
