A Medal Of Distinction A Novel Of Iceland The Library Of Nordic Literature:

A Medal of Distinction Agnar Þórðarson,1984 *A Medal of Distinction* Agnar Þórðarson,1984 Thordarson s narrative here is spare unadorned almost plain and tells the story of Erling a deadbeat husband and father of three a drunk a gambler and a small time embezzler Erling has been through a traumatic road accident and the first part of the book alternates between various flashbacks as his concussion afflicted mind fights to make sense of his predicament By means of subtle but accomplished narrative techniques Thordarson lends a sense of mystery and curiosity to Erling s abhorrent history And in fact the most significant criticism that can be made against the novel is that it ends too abruptly that Erling s tragedy calls out to be placed in a somewhat larger context **Iceland** Francis R.
