Davison, 2001-09-12 **THE COLOMBIAN CONTRACT** A contract that threatened the credibility of the US Administration The Colombian Contract is a powerful post Gulf War thriller with a very emotive and heinous assassination plot As the US is fighting the Gulf War It is also involved in a war against the Colombian Drug Syndicates The Drug Barons are losing ground and are screaming for revenge and have taken out a contract on an unnamed leading US political figure Regos Shamir alias Boris Stravok is a top terrorist who learned his killing trade with the KGB before falling foul of his masters and taking his trade into the services of the Colombian Drug Barons He has been given the Colombian Contract and all the undercover networks and resources of the drug market to back his play The CIA want him dead and so does the KGB because he is exploiting and endangering his former KGB contacts Shamir is a psychopathic killer who gets results because of his meticulous planning and patience and for this contract he boasts a new type of murder weapon The crux of the novel is the assassination

threat and the fallout dangers and consequences that it causes and leaves in its wake Many of those who become involved in this murderous web of intrigue deception and treason have common roots in the days when the Cold War threat was at its height and Shamir was the top hatchet man for the notorious KGBs Department 13 operating in France North Africa and the USA At a wedding reception in the town of Railton in North Minnesota a bomb explodes killing the bride and bridegroom and several guests and injuring many more This apparently indiscriminate heinous killing becomes even more vile when the FBI discover that the explosive used was more powerful than they had come across before and that the nature of the bombing had been by an implant capsule bomb that had been innocently carried by the groom in his body It is later confirmed that the bomb was a trial run by Shamir of his new fiendish killing weapon of which he boasted And that he has another bomb and another innocent carrier Instantly Shamir has raised the stakes and put the combined CIA FBI Anti Terrorist Unit into a more frantic ball game and Bradley a tough hard hitting CIA man who now heads the combined unit has to make some hard decisions There is an immediate blanket of secrecy put over their operation Shamir now holds all the aces Bradley and his team have only their questions and the dangers Who is innocently carrying the bomb Who is Shamir s target And what is his deadline Every Government Intelligence Agency is recruited to help find Shamir and help is also sort from friendly foreign Intelligence Agencies But Bradley knows that even if he gets the answers he will still have the problem of the implant bomb which the FBI explosive specialists now believe cannot be removed without the very high risk of detonation And who would risk undertaking such an operation And what of the innocent carrier How will he or she react And supposing Bradley does get the carriers name what does he do Once he makes any move no matter how secretly he runs the risk of a leak of information And to counter Shamirs threat the Colombian Barons will be the victors and there will be a lot of dead political figures The stage finally becomes set for a night of summer madness and a game of Russian roulette with the lives of some very important people

Jacob's Dream Jack Jerome, 2019-02-28 In 1965 in South Africa an Afrikaner teen sets out in search of his father while a Zulu hunter returns home to his four year old son The encounter between the fathers scars the sons in different ways and incites an act of revenge that will haunt them both forever In 1993 in Banner Texas three men die in a seemingly unrelated robbery In 1996 Banner is visited by an extraordinary man from South Africa seeking the truth behind a nightmare that has haunted him since child hood His quest disrupts the placid lives of Professor Cholly Bracker and wife Kate and draws them into a perilous intrigue When they discover a link between the visitor s quest and the death of Cholly s brother one of those who died in 1993 their interest becomes deeply personal Given reason to suspect Banner s most influential citizen in a decades old conspiracy that has already claimed more than twenty lives they discover that pursuing the truth may have put their own lives in jeopardy Seeking evidence to protect themselves Cholly and Kate are forced to take dangerous risks and in doing so they learn there is much more to the conspiracy than a legacy of hate Before they can act on their discoveries the Brackers learn the whole truth is even more shocking than what they had come to believe
