A phantom lover, by Vernon Lee Vernon Lee, Violet Paget, 1886 **The Phantom Lover** Elizabeth Mansfield, 2015-01-13 The fascinating stranger who visits a young lady in the dead of night is no ghostly spirit in this spellbinding Regency romance by award winning author Elizabeth Mansfield After scandalizing London with her improper behavior and jilting two suitors Nell Belden is about to do it again This time she rejects the very wealthy utterly insufferable nobleman her financially strapped guardians have been pressuring her to marry Banished to their isolated Cornwall estate Nell is awakened one night by an unusual apparition But her midnight visitor is no phantom He is Captain Henry Thorne sixth Earl of Thornbury The new Lord of Thorndene has returned to his crumbling family seat to live in isolation far from the horrors of war Nell is intrigued by this wounded soldier who has no desire to take his rightful place in society As the weeks pass and fascination flames into dangerous desire Nell realizes she must leave or risk losing her heart to the one man who can never belong to her **A Phantom Lover** Vernon Lee, 2017-12-05 Gradually the embers grew paler the figures in the tapestry more shadowy the columned and curtained bed loomed out vaguer the room seemed to fill with greyness and my eyes wandered to the mullioned bow window beyond whose panes between whose heavy stonework stretched a greyish brown expanse of sore and sodden park grass dotted with big oaks while far off behind a jagged fringe of dark Scotch firs the wet sky was suffused with the blood red of the sunset Miss Violet Paget whose nom de plume is Vernon Lee has a strange genius or perhaps one would rather say a genius for the strange and the horrible that sometimes falls little short of being grotesque She has the divination that sees the possible hidden undercurrents of the tragedy of life It may not improbably be the verdict of the future that Vernon Lee at the present time is not receiving anything like the recognition due her marvelous power The Literary News

Probably the best shilling story since Dr Jekyll It is short it is startling One is fascinated and offended and finally appalled St James Gazette Vernon Lee has the enviable faculty of investing each and all her works with the charm of brilliant originality Thus this fantastic story has a grace and a weird pathos that distinguish it from other tales Morning Post Everything Vernon Lee writes bears the stamp of genius Manchester Examiner Her work has always disclosed a morbid tendency and this story follows in the line of its predecessors It is extremely well told skillfully planned to produce a deep and definite impression by suggestion rather than by direct statement and it is very interesting As a psychological study it is full of acuteness and power The Book Buyer Few persons besides the gifted and original author of Euphorion and Baldwin would have thought out this ingenious weird uncomfortable psychological story It is of about the compass of a magazine article though made into a book by itself It is a painter's narrative of what befell him in a fine old English country house while he was at work on the portrait of his mistress Mrs Oke There had been a Mrs Oke of Okehurst centuries before and her portrait was now hanging on the walls That Mrs Oke had had a lover Christopher Lovelock and Lovelock so tradition ran had been murdered by his mistress and her husband The present Mrs Oke is pleased to personate the former Mrs Oke by means of dress and all other means in her power and in time teases her adoring husband into the hallucination that she is pursued by a phantom Lovelock lover as her namesake was in reality of old Fired by this hallucination into a frenzy of jealous hatred he levels his pistol at the supposed phantom and shoots his wife dead The verdict was momentary madness This is Vernon Lee's story of it The Literary World Whatever Vernon Lee attempts to do she does with great order she writes admirably In A Phantom Love which is a hint not a story a dream not a reality a mere piece of brilliant impressionist work her peculiar powers appear to excellent advantage Rich in suggestion and color she defines a little drama of love and jealousy which belongs partly to this generation and in part is the revival of an old tragedy played out two centuries ago The fantasy becomes credible in the rich hazy unhealthy atmosphere the author surrounds her actors with as they move languidly and picturesquely through the dim rich storied rooms The little book is the artistic product of very fine powers The American
