Congress. House. Special Committee on Un-American Activities (1938-1944), 1940 *A course of addresses on the word and works of God* Maurice Lothian, 1876 **The Septuagint and Messianism** Michael Anthony Knibb, 2006 The question of the extent to which the Septuagint reflects an evolution in messianic belief in comparison with the Masoretic Text has come into prominence in recent years and in view of the role played by messianism in Jewish belief of the late Second Temple period and in early Christianity it seemed very appropriate that The Septuagint and Messianism should be chosen as the theme of the 2004 Colloquium Biblicum Lovaniense This volume contains the papers given at the Colloquium which are concerned both with methodological issues and with the interpretation of specific texts in practice the majority of the texts in the Septuagint for which a messianic interpretation has been claimed The papers are very far from all reflecting the same approach and it has frequently happened that the same texts have been treated by different contributors from very different viewpoints But the fact such different viewpoints are expressed is a proper reflection of the complexity of the issues involved in the question of the extent of messianic belief in the Septuagint and of the fact that the question requires a nuanced answer It is in any case hoped that the varied approaches reflected in the papers will serve to make clear the underlying reasons for the differences between those who take a minimalist and those who take a maximalist view on the subject of the Septuagint and Messianism Holy War in the Bible Heath A. Thomas, Jeremy A. Evans, Paul Copan, 2013-04-05 The first of its kind this collection offers a constructive response to the question of holy war and Christian morality from an interdisciplinary perspective By combining biblical ethical philosophical and theological insights the contributors offer a composite image of divine redemption that promises to take the discussion to another level Zechariah and His Visions Lena-Sofia Tiemeyer, 2015-02-26 Did Zechariah really see visions This question cannot be definitely answered so the idea must remain a hypothesis Here Tiemeyer shows that this hypothesis is nonetheless reasonable and instrumental in shedding light on matters in Zechariah s vision report that are otherwise unclear Tracking through each verse of the text the key exegetical

problems are covered including the topics of the distinction between visions and dreams dream classification conflicting sources of evidence for dream experiences and rhetorical imagery as opposed to dream experience Further attention is focused on the transmission of the divine message to Zechariah with the key question raised of whether a visual or oral impression is described Tiemeyer s study further demonstrates that Zech 1 6 depicts a three tier reality This description seeks to convey the seer s visionary experience to his readers In a trance state Zechariah communicates with the Interpreting Angel while also receiving glimpses of a deeper reality known as the visionary world **Legal Intelligencer** ,1853 **The Legal Intelligencer...** ,1857 **His Unified Word** Laura Waymack,2022-08-19 What is the overall story of the Bible How do its various parts fit together How can Jesus claim to be the fulfillment of the promises of God Christians believe that the sovereign all powerful infinite Triune God of the universe has chosen to speak to people through the Bible But sometimes this Bible can be daunting in its size and scope and many people who read the Bible struggle with understanding how it all fits together His Unified Word presents an eight week Bible study that traces the storyline of the Bible from beginning to end and explores how every theme is ultimately fulfilled in Jesus Twenty Old Testament and twenty New Testament passages reveal the big picture of creation rebellion redemption and restoration Each one of the forty days in the study guides readers through a Bible passage an explanatory commentary and thoughtful interaction with the text Teaching sections at the end of each week also explain how all of the passages fit together through covenants types and promises Ideal for both individuals and groups this uplifting study will enrich knowledge of God and love for his unified Word
