ADDISON-WESLEY
SECONDARY MATH

Algebra

AN INTEGRATED APPROACH

The cover features a complex, abstract illustration. The background is a teal gradient. Overlaid on this is a dense network of magenta and purple circuit-like lines that resemble a computer chip. In the lower half, there's a colorful, geometric landscape with various shapes in shades of blue, green, yellow, and red. A prominent blue wavy line flows across the bottom right. The overall aesthetic is a blend of technology and organic, geometric forms.
