The Bible and the Role of Women Krister Stendahl, 1966 **The bible and the role of women** Krister Stendahl, 1979 The Unity of Male and Female in Jesus Christ Gesila Nneka Uzukwu, 2015-11-19 This detailed exegetical study of Gal 3 28c in the light of 3 14 29 and 4 21 31 shows not only how integral this verse is to chapters 3 and 4 of the letter but also that it is the key to understanding Paul's theological argument of promise in Galatians Paul's use of the story of Abraham in 3 14 29 and of Sarah in 4 21 31 in light of God's promise to the patriarch and the matriarch in Genesis 17 have implications displays the joint role of Abraham and Sarah in bringing about the promise and underscores the unity of the believers in Christ In light of this Uzukwu examines important aspects of the history of the interpretation of Gal 3 28c Uzukwu sheds light on the link between Gal 3 28 and the three expressions of gratitude found in Greek writings Links are also revealed to the three blessings of gratitude that appear at the beginning of the Jewish cycle of morning prayers Gen 1 27c in the Septuagint and the alleged pre Pauline baptismal formula She goes further to demonstrate how 3 28c is related to the unity of Galatians 3 4 focusing on the theme of the promise as the text discusses the effect of the Christ event in bringing about the fulfillment of that promise **Feminist Introduction to Paul** Sandra Hack Polaski, 2005 Sandra Hack Polaski introduces readers to the letters and world of Paul encouraging a critical appreciation of Paul and his writings that does not require a choice between commitment to the scriptures and integrity as a modern feminist In conversation with the leading interpreters of Paul and considering possible responses to Paul conformist resistant rejectionist and transformational Polaski forges her own theory of how to interpret Paul She reads emphasizes and reinterprets overlooked neglected misintegrated or differently interpreted Pauline texts making visible the invisible and challenging the accepted readings Polaski uncovers both the ideologies behind the text and the ideologies the text seeks to suppress She traces the trajectories toward which the texts point even if Paul did not fully follow the trajectories to their logical end Such a program leads Polaski to find God's New Creation as the operative center of Pauline thought *The Feminine Character* Viola Klein, 1971 *Krister Among the Jews and Gentiles* Fredriksen, Paula, Svartvik, Jesper, 2018 Essays on Krister Stendahl's contributions in various arenas institutional formation both of university and of church interreligious dialogue and relations biblical and historical research **The Church as Koinonia of Salvation** Randall R. Lee, Jeffrey Gros, 2005 This important document proposes new clarifications and pastoral steps that will serve the pilgrimage toward full unity It provides the biblical historical and theological foundations for a common Catholic Lutheran understanding of the church The text carefully links the biblical doctrine of justification to the development of the church in the New Testament as a community of salvation whose structures and ministries serve the church's mission to the human family A detailed exposition is given to the development of the ministries and structures in the church councils dioceses parishes bishops presbyters and the Petrine ministry Book jacket **Newly Created Children of God** Hyung-tae Kim, 2025-10-07 This study makes an original contribution to our understanding of the

connection between Paul's language of adoption and his concept of new creation. Although there has been much research on Paul's use of the adoption metaphor and of his concept of new creation, no previous study has paid close attention to the connection between them and what this relationship means for the shape of Pauline theology. For example, recent studies of ethnicity in Paul often appeal to Abrahamic sonship or divine sonship in Romans and Galatians, but the sense of new creation is virtually absent in the arguments. The present study attempts to rectify that oversight through a dialogue with the Paul within Judaism school of scholars.
