Agents Of Faith Crusaders Of The Gods:

Agents of Faith Celeste DeAngelis, John D. Faugno, Evan Bernstein, Steven Novella, Darren Sugg, Laurence H Fitzgerald, Joseph Unfried, Harald Henning, 2003-04-01 *Religion as an Agent of Change*, 2016-03-11 Throughout the history of mankind religion has been a creative and innovative factor of great strength able to change societies create new cultures and shape strong identities In *Religion as an Agent of Change* leading historians and Church historians discuss religion as a driving force in historical development on the basis of three particular cases from the history of Christianity in Western Europe the Crusades the Reformation and Pietism The empirical case studies in the book present important results and viewpoints from new research in these three historical phenomena to a large degree undertaken in our own generation thus establishing a solid foundation for further scholarly discussions about the role of the Christian religion as a driving force in history Contributors are Arne Bugge Amundsen Ole Peter Grell Martin H Jung Thomas Kaufmann Fred van Lieburg Christoph T Maier Peter Marshall Hugh McLeod Jonathan Phillips Felicitas Schmieder and John Wolffe **Dominion of God** Brett Edward Whalen, 2010-02-15 Whalen explores the belief that Christendom would spread to every corner of the earth before the end of time During the High Middle Ages the Western followers of Rome imagined the future conversion of Jews Muslims pagans and Eastern Christians into one fold of God s people assembled under the authority of the Roman Church *The Faith of the Faithless* Simon Critchley, 2014-02-04 The return to religion has perhaps become the dominant cliché of contemporary theory which rarely offers anything more than an exaggerated echo of a political reality dominated by religious war Somehow the secular age seems to have been replaced by a new era where political action flows directly from metaphysical conflict *The Faith of the Faithless* asks how we might respond Following Critchley s *Infinitely Demanding* this new book builds on its philosophical and political framework also venturing into the questions of faith love religion and violence Should we defend a version of secularism and quietly accept the slide into a form of theism or is there another way From Rousseau s politics and religion to the return to St Paul in Taubes Agamben and Badiou via explorations of politics and original sin in the work of Schmitt and John Gray Critchley examines whether there can be a faith of the faithless a belief for unbelievers Expanding on his debate with Slavoj Žižek Critchley concludes with a meditation on the question of violence and the limits of non violence **God's War** Christopher Tyerman, 2007-10-04 Wonderfully written and characteristically brilliant Peter Frankopan author of *The Silk Roads* Elegant readable an impressive synthesis Not many historians could have done it Jonathan Sumption *Spectator* Tyerman s book is fascinating not just for what it has to tell us about the Crusades but for the mirror it holds up to today s religious extremism Tom Holland *Spectator* Thousands left their homelands in the Middle Ages to fight wars abroad But how did the Crusades actually happen From recruitment propaganda to raising money ships to siege engines medicine to the power of prayer this vivid surprising history shows holy war and medieval society in a new light *Angry Conversations with God* Susan E. Isaacs, 2025-05-01 Disillusioned disenfranchised and disinterested in

anything churchy Susan Isaacs knew of only one thing to do when she hit spiritual rock bottom at age 40 She took God to couples counseling In this cuttngly poignant memoir Susan Isaacs chronicles her rocky relationship with the Almighty from early childhood to midlife crisis and all the churches where she and God tried to make a home Pentecostals Slackers for Jesus and the ber intellectuals who turned everything including the weekly church announcements into a three point sermon Casting herself as the neglected spouse Susan faces her inner nag and the ridiculous expectations she put on God some her own and some from her crazy in laws at church Originally staged as a solo show in New York and Los Angeles ANGRY CONVERSATIONS WITH GOD is a cheeky heartfelt memoir that even at its most scandalous is still an affirmation of faith
