Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory:

Aircraft Stories John Law, 2002-04-24 A case study of a large military aircraft TSR 2 from British Aircraft Corporation which explores modernism and postmodernism and how we might think past the limits that these set to our ways of thinking

Performance Research 9:4 Dec 2 Various Authors, 2023-05-31 First published in 2004 Civility might appear the last and least likely term to mobilise attention in the non adjacent fields to performance This issue recognises an expanded political vocabulary in concept of sly civility located at the heart of the recent work drawing on a set of previously dis colonising imagination

Fragile Computing Laura Kocksch, 2024-06-17 This book proposes alternative ways to engage with computer security rooted in Science and Technology Studies STS and extensive ethnographic observations Computer security the author argues is part of living in the Anthropocene an age of damaged more than human relations As such doing computer security means not striving for technical solutions or individual awareness but living with fragility The book suggests conceptual approaches and methods of studying computer security which contribute to current debates on infrastructural breakdown and ecological ruins in STS and Anthropology while offering new perspectives to Usable Security and Critical Security Studies

Science, Technology and the Ageing Society Tiago Moreira, 2016-12-19 Ageing is widely recognised as one of the social and economic challenges in the contemporary globalised world for which scientific technological and medical solutions are continuously sought This book proposes that science and technology also played a crucial role in the creation and transformation of the ageing society itself Drawing on existing work on science technology and ageing in sociology anthropology history of science geography and social gerontology Science Technology and the Ageing Society explores the complex interweaving relationship between expertise scientific and technological standards and social normatively embedded age identities Through a series of case studies focusing on older people science and technology medical research about ageing and ageing related illnesses and the role of expertise in the management of ageing populations Moreira challenges the idea that aging is a problem for the individual and society Tracing the epistemic and technological infrastructures that underpin multiple of ways of aging this timely volume is a crucial tool for undergraduate and graduate students interested in social gerontology health and social care sociology of aging science and technology studies and medical sociology

Feminist Cultural Studies of Science and Technology Maureen McNeil, 2008-01-15 Feminist Cultural Studies of Science and Technology challenges the assumption that science is simply what scientists do say or write it shows the multiple and dispersed makings of science and technology in everyday life and popular culture This first major guide and review of the new field of feminist cultural studies of science and technology provides readers with an accessible introduction to its theories and methods Documenting and analyzing the recent explosion of research which has appeared under the rubric of cultural studies of science and technology it examines the distinctive features of the cultural turn in science studies and traces the contribution feminist scholarship has made to this development Interrogating the theoretical

and methodological features it evaluates the significance of this distinctive body of research in the context of concern about public attitudes to science and contentious debates about public understanding of and engagement with science White Men's Magic Vincent L. Wimbush, 2014 Characterizing Olaudah Equiano's eighteenth century narrative of his life as a type of scriptural story that connects the Bible with identity formation Vincent L Wimbush's White Men's Magic probes not only how the Bible and its reading played a crucial role in the first colonial contacts between black and white persons in the North Atlantic but also the process and meaning of what he terms scripturalization By this term Wimbush means a social psychological political discursive structure or semiosphere that creates a reality and organizes a society in terms of relations and communications Because it is based on the particularities of Equiano's narrative Wimbush's theoretical work is not only grounded but inductive and shows that scripturalization is bigger than either the historical or the literary Equiano Scripturalization was not invented by Equiano he says but it is not quite the same after Equiano A World of Many Worlds Marisol de la Cadena, Mario Blaser, 2018-10-25 A World of Many Worlds is a search into the possibilities that may emerge from conversations between indigenous collectives and the study of science's philosophical production The contributors explore how divergent knowledges and practices make worlds They work with difference and sameness recursion divergence political ontology cosmopolitics and relations using them as concepts methods and analytics to open up possibilities for a pluriverse a cosmos composed through divergent political practices that do not need to become the same Contributors Mario Blaser Alberto Corsi Jimenez D borah Danowski Marisol de la Cadena John Law Marianne Lien Isabelle Stengers Marilyn Strathern Helen Verran Eduardo Viveiros de Castro **Two Bits** Christopher M. Kelty, 2008-06-09 In Two Bits Christopher M Kelty investigates the history and cultural significance of Free Software revealing the people and practices that have transformed not only software but also music film science and education Free Software is a set of practices devoted to the collaborative creation of software source code that is made openly and freely available through an unconventional use of copyright law Kelty explains how these specific practices have reoriented the relations of power around the creation dissemination and authorization of all kinds of knowledge He also makes an important contribution to discussions of public spheres and social imaginaries by demonstrating how Free Software is a recursive public a public organized around the ability to build modify and maintain the very infrastructure that gives it life in the first place Drawing on ethnographic research that took him from an Internet healthcare start up company in Boston to media labs in Berlin to young entrepreneurs in Bangalore Kelty describes the technologies and the moral vision that bind together hackers geeks lawyers and other Free Software advocates In each case he shows how their practices and way of life include not only the sharing of software source code but also ways of conceptualizing openness writing copyright licenses coordinating collaboration and proselytizing By exploring in detail how these practices came together as the Free Software movement from the 1970s to the 1990s Kelty also considers how it is possible to understand the new movements emerging from Free Software projects such

as Creative Commons a nonprofit organization that creates copyright licenses and Connexions a project to create an online scholarly textbook commons

Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory Introduction

In the digital age, access to information has become easier than ever before. The ability to download Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory has opened up a world of possibilities. Downloading Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory. These websites range from academic databases offering research papers and journals to online libraries with an expansive

collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Aircraft Stories Decentering The Object In Technoscience Science And Cultural Theory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
