Journey Through the Old Testament ,2015-06-15 Whoever starts on a Journey should be prepared for surprises The Old Testament offers a wealth of wonderful stories The stories talk about people who are on a quest for God with all their heart and soul About skeptics unhappy people and enthusiasts About people just like you and me About life as it is With all its worries anxieties and unfairness But also about God who makes His face shine upon us Who does not abandon us We should not deprive our children of this hope If we read these stories with them we can awaken their longing for God We may perhaps also arouse their curiosity And touch their heart and move their mind with pictures from two thousand years of art Thus igniting a life long journey in search of God With easy to understand picture explanations for children and textual commentaries for adults A read aloud book for children ages 5 and up a book to be read on one s own for children ages 8 and up and a book to lose yourself in for adults of all ages

Old Stories & Forgotten Lessons Dr. R.W. Stallings,2021-08-19 The message the world hears from the church in America is confusing Many of us have drifted so far from biblical teaching that those seeking our help cannot find it in the church The picture of God we present is so removed from biblical truth that even our own children are without foundation and are leaving in great numbers I do not accept the premise that the non church world has rejected God many have never heard the compelling unfiltered Gospel truth preached with love When we discard the biblical text and do not teach it to our people we give away the power to help those really needing the church The church must make her own peace with God before the world can hear the voice of God from the church Old Stories they will often feel isolate because of their belief They need to know how the heros of our faith lived and led successful lives

After 400 Years of the King James Version of the Bible Rear Admiral Joseph H. Miller,2011-11-15 The King James Version has proved itself for 400 years The greatest translators in history translated it A king directed them to translate it into English reproducing the original language of Gods Word as close as possible One must use a literal translation My review suggests only three qualify The King James Version English Standard Version and the New Revised Standard Version The Dynamic Equivalent translations are not recommended because they omit or add words to Gods original Words First things are put first with a technique of presenting Gods Word to an individual who has never heard the name of Jesus The best criteria for selecting a Bible translation are outlined including a back up Bible Five bits of knowledge needed for Bible study are given The spirituality of the translators including Wycliffe and Tyndale are noted The King James Bible used today is the 1769 edition by Blayney Over 50 martyrs who died for Gods Word are reviewed One of the greatest military battles for the preservation of Gods Word is reviewed in detail There have been no manuscript discoveries that change the doctrine of the King James Bible

Poems Compiled Adrienne Willis,2012-10 Poems Compiled is a collection of the poems and insights that Adrienne has spent a lifetime putting together They portray both her struggles her love of nature and above all her deep love for God She hopes that they will give others some joy and inspiration *The Torah Mosaic* Tracy J. McKenzie,2025-11-11 The Pentateuch lays an important literary and theological foundation for the rest of Scripture so it s important that readers correctly understand its intended message While seeing the Pentateuch s unity many Western readers miss its complexity and thus an aspect of its meaning In this book Tracy McKenzie unfolds the complex process of organization development and composition of these five books which was done in a literary world

different from ours. He emphasizes the composite unity of the Pentateuch while guiding readers through its discrete literary units. This accessible and concise introduction models close reading of the text, observing elements such as genre, innerbiblical exegesis, unifying language, and literary features. McKenzie shows that it is appropriate to appreciate the Pentateuch's complexity while maintaining faith in its unified message and divine authority. Each chapter concludes with relevant interpretive, theological, and practical insights. The aim is to sharpen readers' interpretation and expand their comprehension of the Pentateuch's message and theology, which the author suggests concerns God's future people under his king's reign and authority. This supplemental textbook will be useful to students in Old Testament courses and will also appeal to pastors and church leaders.
