Edited by Fritz-Konrad Krüger** Harry Hill Bandholtz, 1966 **The United States in World War I** James T. Controvich, 2023-05-08 With the centennial of the First World War rapidly approaching historian and bibliographer James T Controvich offers in *The United States in World War I A Bibliographic Guide* the most comprehensive up to date reference bibliography yet published Organized by subject this bibliography includes the full range of sources vintage publications of the time books pamphlets periodical titles theses dissertations and archival sources held by federal and state organizations as well as those in public and private hands including historical societies and museums As Controvich's bibliographic accounting makes clear there were many facets of World War I that remain virtually unknown to this day Throughout Controvich's bibliography tracks the primary sources that tell each of these stories and many others besides during this tense period in American history Each entry lists the author title place of publication publisher date of publication and page count as well as descriptive information concerning illustrations plates ports maps diagrams and plans The armed forces section carries additional information on rosters awards citations and killed and wounded in action lists *The United States in World War I A Bibliographic Guide* is an ideal research tool for students and scholars of World War I and American history **Károlyi & Bethlen** Bryan Cartledge, 2009-06-01 White aster flowers on sale on the streets of Budapest on the eve of All Souls Day are made the symbol of a revolution which brings Mihály Károlyi 1875-1955 to power at the head of a National Council Károlyi concludes an armistice which leaves large areas of Hungarian territory under occupation by French Romanian and Serbian forces Following the King Emperor's abdication in November 1918 Hungary is declared an independent republic with Károlyi as its President He sets about meeting Hungary's most pressing social need for land reform But Károlyi's liberal regime is soon beset by strong opposition from the right and from the left The Allies seal Károlyi's fate by refusing to end the economic blockade of Hungary and by imposing even in advance of a peace settlement Hungary is denied an invitation until the Conference is virtually over even harsher armistice terms Károlyi flinches from opposing these measures by force The small socialist element in his government of well meaning aristocrats defects and forms an alliance

with Hungary's fledgling Communist Party Károlyi resigns and chooses exile The Communists led by Béla Kun take power Kun raises a Red Army which defeats a Czech invasion but fails to stem the Romanian advance which enters Budapest in defiance of orders from Paris and engages in an orgy of pillage and destruction The Peace Conference despatches a British diplomat Sir George Clerk to Budapest to broker a Romanian withdrawal Clerk succeeds in forming a coalition government of right wing parties with token representation for the centre left which he recognises in the name of the Peace Conference and invites to send a delegation to Paris It includes Count István Bethlen 1874-1946 and Pál Teleki both future prime ministers The delegation is presented on arrival on 6 January 1920 with the draft peace treaty for Hungary which the expert committees of the Conference have produced and which the Council has approved without amendment The Hungarians are appalled to find that the treaty will deprive their country of two thirds of her territory and over half of her population The injustice of the Treaty will drive Hungary into the arms of Nazi Germany a fatal alliance which will doom Hungary's Jews to annihilation and Hungary to defeat and destruction in the Second World War
