

AROUND THE STATION

Kids of all ages love trains, so why not take the train to Bakersfield? Many family fun activities are within walking distance of our downtown Amtrak station, and Amtrak offers discount fares for kids. You could make it a day trip, but with so many family-friendly things nearby, consider spending the night. There are hotels within walking distance of the Amtrak station, plus many other Bakersfield hotels offer free shuttle service.

Once your train arrives, you are just steps away from fun activities for all ages. Ice skate at Valley Children's Ice Center, catch a movie at 16-screen Maya Cinemas just next door, visit McMurtrey Aquatic Center next to the Ice Center and Maya Cinemas, and expand the mind with a visit to Kern Veterans Memorial and adjacent Liberty Tree on the north side of the Amtrak parking lot. Then walk across "S" Street to the Beale Memorial Library, where a variety of children's offerings await.

BAKERSFIELD MUSEUM TRAIL

Explore a turn-of-the-20th-century 16-acre village, the largest collection of Sharktooth Hill Miocene fossils in the world, scores of endangered animals and plants, and a broad spectrum of visual arts experiences, all along the Bakersfield Museum Trail.

This 15-mile driving route connects four unique and family-friendly Bakersfield attractions—Bakersfield Museum of Art, Buena

Vista Museum of Natural History and Science, California Living Museum, and Kern County Museum. Along the way, discover some historic sites and points of interest, plus statues of both the first European visitor to our area and a giant Native American warrior.

Your Bakersfield Museum Trail Brochure gets you special savings at each museum. The more you visit, the more you save. Pick up your free Bakersfield Museum Trail brochure at any of the museums or at Visit Bakersfield (515 Truxton Ave.). You also can download it online at VisitBakersfield.com/MuseumTrail.

BUENA VISTA MUSEUM OF NATURAL HISTORY AND SCIENCE

A unique museum offering fun and educational experiences for all ages, the Buena Vista Museum of Natural History and Science is home to a world-class collection of one-of-a-kind Miocene fossils (14–16 million years old) found in the foothills of Bakersfield. Additional exhibits include a large collection of African, Asian, and North American animal mounts; dinosaur replicas and fossils; and Native American lifeways, a life-size interpretive family dwelling area with artifacts, paintings, and baskets. Also explore a geology section with gems, minerals, petrified woods, fluorescent rocks, and the Oh! Zone and Explore-in Zone interactive hands-on areas that are designed for children but have something for all ages. **2018 Chester Ave.**
