The Publishers Weekly, 1898 Subject Guide to Books in Print, 1997 **Horror Literature through History** Matt Cardin, 2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today's horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don't realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears *Horror Literature through History* shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre's evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections

Fiction Treasures by Maritime Writers Gwendolyn Davies, 2015-08-13 Though little known today from 1860 to 1940 Canadian novelists from the Maritime provinces were writing highly successful books which were widely read in Canada the US and Britain Although today only Lucy Maud Montgomery is remembered and read there were several dozen writers who enjoyed the same level of success and renown This book brings these authors and their most successful books back into the spotlight of Canadian writing In 2001 Canadian literature specialist Gwen Davies and Formac publisher James Lorimer set

out to republish books by these largely forgotten Maritime authors Readers can now discover 35 of their novels all reprinted in Formac's Fiction Treasures series For each book series editor Gwen Davies commissioned an introduction by a contemporary scholar who offers a brief biography of the writer and a discussion of the text itself As Gwen Davies notes These introductions not only capture new research in literary biography or publishing history but also broaden our understanding of regional popular reading tastes from the era of Queen Victoria to the Second World War This book brings these introductory essays together in a single volume so that readers can discover these writers and get an overview of their best works **ABA Journal** ,1965-08 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Field & Stream** ,1994
