

Anabaptist Baptism

Rollin Stely Armour

Anabaptist Baptism:

Anabaptist Baptism: A Representative Study Rollin S. Armour, 1998-09-22 A study of the sixteenth century Anabaptist theology of baptism Armour specifically looks at the thought of Balthasar Hubmaier Hans Hut Melchior Hofmann and Pilgram Marpeck

Participating Witness Anthony G. Siegrist, 2013-08-21 At a time when the fractious legacy of the Protestant Reformation is coming under new scrutiny Anthony Siegrist explores the implications of ecumenism for believers baptism Writing from within the tradition of the Radical Reformation he challenges dominant ecclesiological assumptions and argues that this central practice needs to be reconstrued Siegrist works constructively to develop a concrete account of believers baptism that attends closely to the dynamics of divine initiation Siegrist deliberately stretches the traditional Anabaptist conversation to include not just expected voices like Yoder and Marpeck but also luminaries from the broader Christian tradition Barth Bonhoeffer and a variety of ancient sources are creatively engaged The intent of Participating Witness is eminently practical but its argumentation is carried out with theological rigor *Scripture Baptism Defended*

John Levington, 1866 *Baptism, Peace and the State in the Reformed and Mennonite Traditions* Alan P. F. Sell, 2012-12-04 What are the most significant points at issue between the Reformed and Mennonite communions Baptism peace and church state relations Is there a way forward In the hope that there may be the contributors to this book attempt to clear the way to closer relations between Reformed and Mennonites by careful scholarly discussion of the traditionally disputed questions The papers gathered here were presented at the second phase of the international dialogue between the World Alliance of Reformed Churches Presbyterian and Congregational and the Mennonite World Conference There are Reformed and Mennonite studies of the three topics together with the responses of a philosopher of religion a sociologist a systematic theologian and a church historian In the Introduction the dialogue is set in its historical and contemporary ecumenical context and the Conclusion drafted by the dialogue participants has been forwarded to the two world bodies for their consideration and action This important work will be relevant to all future scholarly research into the growing debate between Reformed and Mennonite communions **A Question in Baptist History** William Heth Whitsitt, 1896

Baptism, Brotherhood, and Belief in Reformation Germany Kat Hill, 2015 When Martin Luther mounted his challenge to the Catholic Church reform stimulated a range of responses including radical solutions such as those proposed by theologians of the Anabaptist movement But how did ordinary Anabaptists men and women grapple with the theological and emotional challenges of the Lutheran Reformation Anabaptism developed along unique lines in the Lutheran heartlands in central Germany where the movement was made up of scattered groups and did not centre on charismatic leaders as it did elsewhere Ideas were spread more often by word of mouth than by print and many Anabaptists had uneven attachment to the movement recanting and then relapsing Historiography has neglected Anabaptism in this area since it had no famous leaders and does not seem to have been numerically strong Baptism Brotherhood and Belief challenges these assumptions revealing

how Anabaptism's development in central Germany was fundamentally influenced by its interaction with Lutheran theology. In doing so it sets a new agenda for understandings of Anabaptism in central Germany as ordinary individuals created new forms of piety which mingled ideas about brotherhood, baptism, the Eucharist and gender and sex. Anabaptism in this region was not an isolated sect but an important part of the confessional landscape of the Saxon lands and continued to shape Lutheran pastoral affairs long after scholarship assumed it had declined. The choices these Anabaptist men and women made sat on a spectrum of solutions to religious concerns raised by the Reformation. Understanding their decisions therefore provides new insights into how religious identities were formed in the Reformation era. Anabaptist Baptism Rollin Stely Armour, 1982

T&T Clark Handbook of Anabaptism Brian C. Brewer, 2021-12-30 By utilizing the contributions of a variety of scholars, theologians, historians and biblical scholars, this book makes the complex and sometimes disparate Anabaptist movement more easily accessible. It does this by outlining Anabaptism's early history during the Reformation of the sixteenth century, its varied and distinctive theological convictions and its ongoing challenges to and influence on contemporary Christianity. T T Clark Handbook of Anabaptism comprises four sections: 1 Origins, 2 Doctrine, 3 Influences on Anabaptism and 4 Contemporary Anabaptism and Relationship to Others. The volume concludes with a chapter on how contemporary Anabaptists interact with the wider Church in all its variety. While some of the authorities within the volume will disagree even with one another regarding Anabaptist origins, emphases on doctrine and influence in the contemporary world, such differences represent the diversity that constitutes the history of this movement. *Baptism* Thomas Osmond Summers, 1874

T&T Clark Handbook of Anabaptism Brian C. Brewer, 2021-12-30 By utilizing the contributions of a variety of scholars, theologians, historians and biblical scholars, this book makes the complex and sometimes disparate Anabaptist movement more easily accessible.
