Stephenson, 2021-10-25 Pentecostal theology is burgeoning in the academy and a vast body of literature continues to grow With precision and ease Stephenson carefully leads readers through an array of theological topics texts and figures Combining original analysis and constructive contributions he classifies diverse and complex ideas in pentecostal biblical studies systematic theology and theological ethics Whether they are beginning students seeking an accessible initiation into an area that newly piques their interests or established scholars who need a sophisticated crash course in a yet unexplored field of inquiry readers will find Stephenson's accounts to be a reliable guide through this daunting topic **Pentecostal Theology and Ecumenical Theology**, 2019-09-16 Pentecostal Theology and Ecumenical Theology Interpretations Intersections and Inspirations brings together globally recognized and newer scholars to address the complex relationship between Pentecostalism and the Ecumenical Movement Historical essays address topics such as early Pentecostal responses to and participation in ecumenism explicit convergences between Pentecostal and ecumenical initiatives and the particular contributions of Pentecostals and ecumenists outside North America and Europe Constructive theological essays address intersections between ecumenical theology and systematic loci in Pentecostal perspective in the hope that mutual exchange and criticism will lead to ways to improve both Never before have this many scholars of Pentecostalism combined their efforts in order to focus on the relationship between Pentecostal theology and ecumenical theology past present and future *Defining Issues in Pentecostalism* Steven M.
