An Introduction To African Politics:

An Introduction to African Politics Alex Thomson, 2016-04-28 The fourth edition of *An Introduction to African Politics* is an ideal textbook for those new to the study of this fascinating continent. It gets to the heart of the politics of this part of the world. How is modern Africa still influenced by its colonial past? How do strong ethnic and religious identities on the continent affect government? Why has the military been so influential? How does African democracy differ from democracy in the West? These are the sorts of question tackled by the book. The result is a textbook that identifies the essential features of African politics, allowing students to grasp the recurring political patterns that have dominated this continent since independence. Key features include: Thematically organised with individual chapters exploring issues such as colonialism, ethnicity, nationalism, religion, social class, ideology, legitimacy, authority, sovereignty and democracy. Identifies key recurrent themes such as the competitive relationships between the African state, its civil society and external interests. Contains useful boxed case studies at the end of each chapter including Kenya, Tanzania, Nigeria, Botswana, Cote d'Ivoire, Uganda, Somalia, Ghana, Democratic Republic of the Congo and Zimbabwe. Each chapter concludes with key terms and definitions as well as questions and advice on further reading. This textbook is essential reading for students seeking an accessible introduction to the complex social relationships and events that characterise the politics of post colonial Africa.

Introduction to African Politics E. Samuel Ezeanyika, 2016 *An Introduction to African Politics* Alex Thomson, 2022-12-30 This fully updated fifth edition of *An Introduction to African Politics* is an ideal textbook for those new to the study of this fascinating continent. Charting trends in government over six decades of the post colonial era, the book tackles key questions such as: How have African states made sense of their colonial inheritance? How relevant are ethnic and religious identities? Why have some states collapsed and others prospered? Why did the one party state fail? Why is contemporary Africa now dominated by electoral authoritarian states and not the multi party democracies promised in the 1990s? Key features include: thematically organised with chapters exploring issues such as colonialism, ethnicity, nationalism, religion, social class, ideology, legitimacy, authority, sovereignty and democracy. New five part structure makes clearer Africa's political evolution over time. New chapter on the emergence of hybrid states and electoral authoritarianism. More coverage of twenty first century governance trends such as China's impact, the changing role of the military, different uses of client patron networks, Western conditionality and the Africa rising debate. Colour presentation of maps, photos and data. Boxed case studies including Mali, Tanzania, Nigeria, Botswana, Cote d'Ivoire, Uganda, Somalia, Ghana, the Democratic Republic of the Congo, Tunisia and Angola. Each chapter concludes with key terms and definitions, questions and further reading. *An Introduction to African Politics* is essential reading for students seeking an accessible introduction to the complex social relationships and events that characterise the politics of post colonial Africa.
