A Philip Randolph Messenger For The Masses:

A. Philip Randolph Lillie Patterson, 1996 The Makers of America Biography series designed for young adults and general readers alike offers a fresh approach to important figures in the American past A. Philip Randolph Cynthia Taylor, 2005-12-01 Important insights into the life and mind of one of the most significant civil rights leaders of the twentieth century A Philip Randolph founder of the Brotherhood of Sleeping Car Porters was one of the most effective black trade unionists in America Once known as the most dangerous black man in America he was a radical journalist a labor leader and a pioneer of civil rights strategies His proteg Bayard Rustin noted that With the exception of W E B Du Bois he was probably the greatest civil rights leader of the twentieth century until Martin Luther King Scholarship has traditionally portrayed Randolph as an atheist and anti religious his connections to African American religion either ignored or misrepresented Taylor places Randolph within the context of American religious history and uncovers his complex relationship to African American religion She demonstrates that Randolph s religiosity covered a wide spectrum of liberal Protestant beliefs from a religious humanism on the left to orthodox theological positions on the right never straying far from his African Methodist roots

Brotherhood of Sleeping Car Porters Robert L Allen, 2015-11-17 The Brotherhood of Sleeping Car Porters created a sea of change in labour and race relations in the US For the first time in US history a black labour union played a central role in shaping labor and civil rights policy Based on interviews and archival research this new book tells the story of the union and its charismatic leader C L Dellums starting from the BSCP s origins as the first national union of black workers in 1925 In 1937 the BSCP made history when it compelled one of the largest US corporations the Pullman Company to recognize and negotiate a contract with a black workers union C L Dellums was a leading civil rights activist as well as a labor leader In 1948 he was chosen to be the first West Coast Regional Director of the NAACP This book is an inspiring testament to both him and the unions transformative impact on US society *Rhetoric, Religion and the Civil Rights Movement, 1954-1965* Davis W. Houck, David E. Dixon, 2006 V 2 Building upon their critically acclaimed first volume Davis W Houck and David E Dixon s new *Rhetoric Religion and the Civil Rights Movement 1954 1965* is a recovery project of enormous proportions Houck and Dixon have again combed church archives government documents university libraries and private collections in pursuit of the civil rights movement s long buried eloquence Their new work presents fifty new speeches and sermons delivered by both famed leaders and little known civil rights activists on national stages and in quiet shacks The speeches carry novel insights into the ways in which individuals and communities utilized religious rhetoric to upset the racial status quo in divided America during the civil rights era Houck and Dixon s work illustrates again how a movement so prominent in historical scholarship still has much to teach us Publisher

A. Philip Randolph Jervis Anderson, 1986 Anderson details with rare journalistic insight Randolph s meteoric rise from a young radical and street orator in Harlem to the most sought after black in the labor movement Malcolm Poindexter The Philadelphia Bulletin A.

Philip Randolph and the Struggle for Civil Rights Cornelius L. Bynum, 2010-12-13 A Philip Randolph's career as a trade unionist and civil rights activist shaped the course of black protest in the mid 20th century This book shows that Randolph's push for African American equality took place within a broader progressive program of industrial reform *American Social Leaders and Activists* Neil A.
