A Weekend With Claude:

A Weekend With Claude Beryl Bainbridge, 2012-12-06 Extremely lively TIMES LITERARY SUPPLEMENT A work of art SCOTSMAN Genius SUNDAY TIMES An old snapshot shows a group of friends lounging in the sunshine on a weekend in the country at the invitation of bearded satyric Claude and his wife Julia The girl in the centre is dreamy Lily whose latest failed love affair forms the purpose of the weekend as Lily's friends set out to help her ensnare an unwitting father for her unborn child Next to her is Norman a Marxist romantic hell bent on seducing his milk white hostess behind them is old persecuted Shebah and slightly apart the young man on whom all hopes are pinned quiet pleasant Edward Told through the fractured narratives of Claude Lily Shebah and Norman in Beryl Bainbridge's first published novel a darkly comic weekend of friendship and failure unravels

A Weekend with Claude Beryl Bainbridge, 1967 **Understanding Beryl Bainbridge** Brett Josef Grubisic, 2008 This is a comprehensive companion to the novelist's darkly comic social and historical works In this introduction to prolific British novelist Beryl Bainbridge Brett Josef Grubisic provides a biographical sketch of the writer discussion of her motivations and techniques and a detailed survey of her fiction that places the works in the traditions of British black comedy social novels and historical fiction Born near Liverpool in 1934 Bainbridge has explained that her troubled youth was instrumental in her choice to write novels A fractious family discouraging social milieu and wartime deprivations forged the darkly comic perspective that informs Bainbridge's fiction Emerging on the literary scene in the 1970s with widely praised novels such as *The Dressmaker* *The Bottle Factory Outing* *Sweet William* *A Quiet Life* and *Injury Time* Bainbridge quickly established a reputation for her keen observations of social dysfunction and her darkly comic tone In approaching her works Grubisic maps Bainbridge's movement from social to historical novels beginning with the comic historicism of *Young Adolf* and continuing to her most recent fiction *The Birthday Boys* *Every Man for Himself* *Master Georgie* and *According to Queeney* Grubisic holds that in portraying historical events through a variety of narrative techniques or from oblique vantage points Bainbridge's latest novels partially ally themselves with the style and ideological concerns of literary postmodernism while still recalling the defining view of hardship established in her youth

Beryl Bainbridge Huw Marsh, 2014 This study analyses Bainbridge's work in relation to some of the pressing debates in post war literary studies
