

FIGHTER

WINTER'S KNIGHT

Coming from frozen lands, the winter knights are terrors on the battlefield. Always on the frontline, they protect their allies while decimating the enemy army.

MARK OF COLD

At 3rd level, when you hit an enemy with a melee attack, you can force it to focus on you. For one minute, the creature has disadvantage on attack rolls against targets other than you, if you've hit it with an attack on your previous turn.

Once you use this feature, you can't use it again until you finish a short rest. You gain another use at level 11.

GLACIER

At 3rd level, you can use your bonus action to cover yourself in frost. You gain temporary hit points equal to $1d12 +$ your proficiency bonus.

You can use this feature twice and you regain all expended uses when you finish a short rest.

FROZEN CRY

At 7th level, you can use your action to emit an ice aura accompanied by a powerful scream. Every creature you choose within 30 feet of you that hears your shout must make a Wisdom saving throw or take $2d8$ cold damage and have disadvantage on attack rolls against targets other than you for one round.

After using this feature twice, you regain all expended uses when you finish a long rest.

ICE AND BLOOD

At 10th level, you can use a bonus action to imbue your weapon with ice. For one minute, your weapon attacks deal an extra $1d8$ cold damage, and you gain temporary hit points equal to the cold damage dealt. These temporary hit points stack but disappear at the start of your next turn.

Once you use this feature, you must finish a long rest before you can use it again.

PROTECTOR

At 15th level, you gain the ability to cast the *Frozen Barrier* spell at 4th level twice per long rest, even if you don't have the ability to cast spells. This spell does not require components for you.

FRONTLINE

At 18th level, when you gain temporary hit points, you choose two allied creatures within 30 feet of you. You grant them temporary hit points equal to the amount you gained.
