Why Superman Doesn't Take Over The World J. Brian O'Roark, 2019-01-17 Why do heroes fight each other Why do villains keep trying even though they almost never win Why don t heroes simply take over the world Economics and comics may seem to

be a world apart But in the hands of economics professor and comic book hero aficionado Brian O Roark the two form a powerful alliance With brilliant deadpan enthusiasm he shows how the travails of superheroes can explain the building blocks of economics and how economics explains the mysteries of superhero behavior Spider Man s existential doubts revolve around opportunity costs Wonder Woman doesn t have a sidekick because she has a comparative advantage game theory sheds light on the battle between Captain America and Iron Man the Joker keeps committing crimes because of the Peltzman effect and utility curves help us decide who is the greatest superhero of all Why Superman Doesn t Take Over the World probes the motivations of our favorite heroes and reveals that the characters in the comics may have powers we don't but they are still beholden to the laws of economics

A Counterfeit Gringo's Take on Third World Poverty and Memories of Mosquitia Marc Rangel, 2003 Though born an expatriate U S citizen in Nicaragua the author s hometown has an English name Bluefields and was the former capital of the onetime British protectorate called Mosquitia Added to this exotic background during his boyhood in the 1930 s Nicaragua was under U S Marine Occupation and the country s entire Caribbean region was in effect an Anglo American enclave which led to his latino friends nicknaming him a gringo hechizo or Counterfeit Gringo This dual heritage with its intimate experiencing of both American and Third World lifestyles is what makes his comments on the current cultural clash between the Western and non Western worlds as outlined in these three brief works an unique assessment of this most challenging and dangerous international conflict

How to Win in a Winner-Take-All World Neil Irwin, 2025-06-25 From New York Times bestselling author and senior economic correspondent at The New York Times how to survive and thrive in this increasingly challenging economy Every ambitious professional is trying to navigate a perilous global economy to do work that is lucrative and satisfying but some find success while others struggle to get by In an era of remarkable economic change how should you navigate your career to increase your chances of landing not only on your feet but ahead of those around you In *How to Win in a Winner Take All World* Neil Irwin senior economic correspondent at the New York Times delivers the essential guide to being successful in today s economy when the very notion of the job is shifting and the corporate landscape has become dominated by global firms He shows that the route to success lies in cultivating the ability to bring multiple specialties together to become a glue person who can ensure people with radically different technical skills work together effectively and how a winding career path makes you better prepared for today s fast changing world Through original data close analysis and case studies Irwin deftly explains the 21st century economic landscape and its implications for ambitious people seeking a lifetime of professional success Using insights from global giants like Microsoft Walmart and Goldman Sachs and from smaller lesser known organizations like those that make cutting edge digital effects in Planet of the Apes movies or Jim Beam bourbon *How to Win in a Winner Take All World* illuminates what it really takes to be on top in this world of technological complexity and global competition
