Gurney, 2017-03-16 Determined to donate almost everything she owns before her life of grace and privilege ends wealthy widow Cornelia Cunningham's plan hits a snag when an ambitious and ingratiating young man arrives to claim his alleged inheritance Renowned playwright A R Gurney paints an incisive and hysterical portrait of the trials of class family legacy race and the power of a good story *The Grand Manner* Albert Ramsdell Gurney, 2011 THE STORY In 1948 playwright A R Gurney then a young boarding school student traveled to New York where he attended a performance of Shakespeare's Antony and Cleopatra going backstage afterwards to meet the production's star the great A.R. Gurney Arvid F. Sponberg, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **The Love Course** Albert Ramsdell Gurney, 1969 A female professor has been teaching a course on the literature of love with a younger male colleague *A.R. Gurney Nine Early Plays* Albert Ramsdell Gurney, 1995 **Love Letters** Albert Ramsdell Gurney, 1989 Traces epistolary romance from grade school through middle age **Heresy** Albert Ramsdell Gurney, 2013 THE STORY In a parade of government imprisonment immaculate conception religion politics cocktails and one articulate working girl HERESY views the not so distant future through the satiric and hilarious lens of A R Gurney *A.R. Gurney* Arvid F. Sponberg, 2004-03-01 This is the first full length study devoted to the art of A R Gurney a major contemporary American playwright who has written over thirty plays including Love Letters This volume brings together original interviews with Gurney and four actors and a director who have worked closely with him as well as essays by leading theater scholars on the range of Gurney's work **Strictly Academic** Albert Ramsdell Gurney, 2008 This collection includes two short plays THE GUEST LECTURER and THE PROBLEM THE GUEST LECTURER Mona runs a financially strapped regional theatre and takes diabolical steps to keep the venue going THE PROBLEM A husband and wife learn of each other's extramarital affairs For many years as he was forging his reputation as a playwright A R Gurney was also a college professor and in recent plays like HUMAN EVENTS and THE FOURTH WALL he has portrayed campus denizens in not so flattering terms The academic life he depicts is an insular one the academics themselves self absorbed and self important They behave almost as if they were performing for an audience Indeed more than once Mr Gurney has used the university setting to make arguments about the state of the theater which he also finds insular and self absorbed increasingly marginalized and increasingly accepting of its marginalization In STRICTLY ACADEMIC an evening of two one acts Mr Gurney is painting his direst portraits of both the campus and the theater The opening playlet THE PROBLEM is a shrewd sardonic bit of camp about the sex life of a mathematics professor and his wife In a very funny dialogue the level of their inability to communicate with each other is ratcheted up again and again The story takes some imaginative swerves and the twist at the end is just right it gently makes a savage point about academics who live only in their own minds and not in the world In the concluding play THE GUEST LECTURER Mr Gurney has the same mischief in his

heart but bigger things in mind There is something terrifically sly and admirable about Mr Gurney s idea here for what he s constructed is an elaborate plaintive allegory about what he sees as the strangulation of the theater in America any critic will tell you that you can go to the theater nightly and still not come close to keeping up with new work that rarely achieves but often aspires to the level of art From that perspective the theater is currently thriving And Mr Gurney himself is an example of it Bruce Weber The New York Times
