A Visitor In The Dark:

Virtual Traumascape and Exploring the Roots of Dark Tourism Korstanje, Maximiliano, George, Babu, 2017-07-12

Mankind has been fascinated with and drawn to the macabre for many years. This is particularly evident in the growing popularity of dark tourism which centers on locations known for death and suffering. Virtual Traumascape and Exploring the Roots of Dark Tourism is a pivotal reference source featuring the latest scholarly research in which the rise of new technology platforms is not only changing tourism worldwide but also facilitating the access to areas of war mourning and disaster. Including coverage on a number of topics such as sexual tourism, disaster recovery and capitalism, this publication is ideally designed for academicians, researchers and students seeking current research on concepts and methodologies of the dark tourism industry.

Dark Tourism and Crime Derek Dalton, 2014-11-20. Dark tourism has become widespread and diverse. It has passed into popular culture vernacular, deployed in guide books as a short hand descriptor for sites that are associated with death, suffering and trauma. However, whilst books have been devoted to dark tourism as a general topic, no single text has sought to explore dark tourism in spaces where crime, mass murder, genocide, State sanctioned torture and violence has occurred as an organising theme. Dark Tourism and Crime explores the socio cultural contours of this unique type of tourism and explains why spaces, places where crime has occurred fascinate and attract tourists. The book is marked by an ethics of respect for the suffering a place has experienced and an imperative to learn something tangible about the history and legacy of that suffering. Based on empirical ethnographic research, it takes the reader from the remnants of Auschwitz concentration camp to the tranquil Australian island of Tasmania to explore precisely what things a dark tourist might encounter: architecture, art installations, gardens, memorials, physical traces of crime and how these things invoke and evoke past crimes. This volume furthers understanding of dark tourism and will be of interest to students, researchers and academics of criminology, tourism and cultural studies.

The Hand in the Dark (Thriller Novel) Arthur J. Rees, 2018-12-21. This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. Mrs Meredith has invited all her friends from her freer, wilder life in London to meet with her at her husband's family home in rural Sussex. However, she is seemingly taken ill and can't accompany the party on their final jaunt to a neighbor's house after dinner. Her husband, step sister and friends sit down for dinner just before departing when they hear a scream from Mrs Meredith's room, shortly followed by the gun shot. The household ascends the stairs to find the young wife murdered, shot from close range. The case is being investigated by a duo of Scotland Yard inspectors who meet a dead end and the famous private detective Colwyn will have to offer his point of view.

Dark Paradise: A Ryan Weller Thriller Book 5 Evan Graver, 2019-09-15. A serial killer. A stolen sailboat. And a missing woman. Former U.S. Navy Explosive Ordnance Disposal technician turned commercial diver Ryan Weller is working a salvage job off the Virgin Islands when he hears the familiar voice of Mango Hulsey on the radio saying his sailboat has been stolen. Immediately, Ryan sets sail for Martinique to help his friend locate his

boat Billy Ron Sorenson runs a charter service and preys on unsuspecting women. When he's done with them, he sinks their bodies deep into the ocean. But this time he's made some crucial errors. He's stolen the wrong boat, left two dead bodies aboard, and taken a woman hostage. When a tip leads to the discovery of Mango's boat, he and Ryan find the two dead bodies and are immediately thrust into the hunt for a man the news media has labeled The Sailboat Slasher and the woman he's kidnapped. Sorenson's misdeeds catch up with him, and he's captured by the police in Trinidad. Unfortunately, they're too late to rescue the girl from the men Billy Ron has sold her to. Haunted by the fate of the kidnapped woman, Ryan continues searching for her with the aid of the local police and his contacts at Dark Water Research. Can he find her before she disappears forever?

A Dark Steel Death Chris Nickson, 2022-09-06 Tom Harper must catch a traitor intent on disrupting the war effort and bringing terror to the streets of Leeds in this page-turning mystery. Nickson does his usual superb job of evoking the period and reinforces his place in the front rank of historical mystery authors. Publishers Weekly Starred Review. Leeds, December 1916. Deputy Chief Constable Tom Harper is called out in the middle of the night when a huge explosion rips through a munitions factory supplying war materials, leaving death and destruction in its wake. A month later, matches and paper to start a fire are found in an army clothing depot. It's a chilling discovery: there's a saboteur running loose on the streets of Leeds. As so many give their lives in the trenches, Harper and his men are working harder than ever, and their investigation takes a dark twist with two shootings at the local steelworks and a hospital. With his back against the wall and the war effort at stake, Harper can't afford to fail. But can he catch the traitor intent on bringing terror to Leeds?

Upon a Dark Night Peter Lovesey, 2005-06-01 The threads of Peter Lovesey's new Peter Diamond mystery *Upon a Dark Night* twist up so neatly they make a perfect hangman's noose, another triumph of plotting from this master of the classic puzzle form. The New York Times Book Review. A young woman is dumped, injured and unconscious, in a private hospital's parking lot. She is an amnesiac with no memory prior to her discovery by hospital personnel. Detective Inspector Peter Diamond of the Bath homicide squad is unwilling to become involved. He has other, more important cases to solve. A woman has plunged to her death from the roof of a local landmark while half the young people of Bath partied below, and an elderly farmer has shot himself. Are these apparent suicides what they seem, or are there sinister forces at work? And might the amnesiac woman hold the key to both cases?
