A World Of Nations Problems Of Political Moderniz:

A World of Nations Dankwart A. Rustow, 1977 **Comparative Politics** Howard J. Wiarda, Esther M. Skelley, 2007

Beginning with an introduction to the field of comparative politics this clear and complete text moves on to explore new innovative directions in the field Leading scholar Howard J Wiarda explores its main approaches including political development political culture dependency theory corporatism indigenous theories of change state society relations rational choice and the new institutionalism Wiarda addresses many hot issues in the field Can democracy and human rights be transplanted from one culture to another Is civil society exportable What works in the effort to develop the poorer nations and what doesn't Where are we headed with such frontier research issues as comparative environmental policy women's rights and gay rights The book concludes with a stimulating discussion of whether the great systems debates of the past socialism vs capitalism democracy vs authoritarianism are now over and points to some of the next important study and research frontiers Students professors and general readers will all find *Comparative Politics* current provocative and well written a truly balanced overview *The Future of the International Legal Order, Volume 1* Cyril E. Black, 2015-12-08 This is the first volume in a large scale collaborative research project intended to focus the attention of international lawyers and social scientists on the near future of the international legal order Sponsored by Princeton University with support from the Ford Foundation the project seeks to stimulate research and provide an intellectual focus for the elucidation of the constructive role law can play in maintaining peace and improving welfare and dignity in the world The contributors have been urged to engage in their respective areas of expertise in non utopian forecasting that will enable law to contribute more creatively by anticipating the range of feasible responses to the solution of emerging problems in the international environment Originally published in 1969 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Sociology and Politics of Development** Baidya Nath Varma, 2010-11-26 Originally published in 1980 this work answers the crucial question of how social change should be guided in the developing countries Professor Varma begins by posing the problems of the general scope of modernization and the general criteria used in the modernization process He examines carefully some of the models that have been used for this purpose in the past providing extensive summaries of the views on modernization of theorists in various social science disciplines including sociology politics economics and anthropology and stresses the importance of these views in guiding policy decisions The book concludes with a comparison of the development processes of the United States the Soviet Union China Japan and India **Envisioning the Arab Future** Nathan J. Citino, 2017-02-17 This book

reinterprets US Arab relations by examining conflicts between American Cold War policies and the modernizing visions of Arab nationalists Islamists and communists **Saudi Arabia** Fouad Al-Farsy, 2023-10-12 Saudi Arabia 1986 is a major study of the political and administrative development of Saudi Arabia following its establishment as a leading world exporter of oil It looks at the status of oil in the development of the state as well as the political systems of government in the Kingdom

Contemporary Nationalism David Brown, 2003-09-02 This book examines the problematic politics of contemporary nationalism and the worldwide resurgence of ethno nationalist conflict It analyses the core theories of nationalism building upon these theories and offering a clear analytical framework through which to approach the subject This outstanding volume features detailed case studies discussing nationalist contention in areas including Spain Singapore Ghana and Australia as well as looking at Northern Ireland Kosovo and Rwanda disputes **Totalitarian and Authoritarian Regimes** Juan José Linz, 2000 Originally a chapter in the Handbook of Political Science this analysis develops the fundamental distinction between totalitarian and authoritarian systems It emphasizes the personalistic lawless non ideological type of authoritarian rule the author calls the sultanistic regime **Self-Determination and Secession in Africa** Redie Bereketeab, 2014-08-07 This book provides a unique comparative study of the major secessionist and self determination movements in post colonial Africa examining theory international law charters of the United Nations and the Organisation of African Unity OAU African Union s AU stance on the issue The book explores whether self determination and secessionism lead to peace stability development and democratisation in conflict ridden societies particularly looking at the outcomes in Eritrea and South Sudan The book covers all the major attempts at self determination and secession on the continent extensively analysing the geo political economic security and ideological factors that determine the outcome of the quest for self determination and secession It reveals the lack of inherent clarity in international law social science theories OAU AU Charter UN Charters and international conventions concerning the topic This is a major contribution to the field and highly relevant for researchers and postgraduate students in African Studies Development Studies African Politics and History and Anthropology **Political Leadership Between Democracy and Authoritarianism** Jerzy J. Wiatr, 2022-01-17 In diesem Buch wird die Theorie der politischen Führung die ein noch wenig erforschtes Feld der Politikwissenschaft ist beleuchtet Sie ist verwandt mit dem philosophischen Streit um Determinismus versus Aktivismus und hilft den Grundkonflikt des 21. Jahrhunderts zwischen liberaler Demokratie und neuem Autoritarismus zu verstehen Das Buch befasst sich mit Max Webers Typologie politischer Herrschaft und seinem Konzept der Verantwortungsethik welche der Schlüssel zur Theorie der Führung sind Der Autor zeigt auf dass der unvollendete Wettstreit zwischen Demokratie und neuem Autoritarismus im 21. Jahrhundert die Bedeutung von Führung in alten und neuen Demokratien sowie in den neoautoritären Regimen bestärkt und einen neuen Typus politischer Führungskraft fordert
