Ap Giannini Banker Of America:

A. P. Giannini: Banker of America Felice A. Bonadio, 2024-02-07 It is rare for a banker to win national acclaim or even recognition J P Morgan apart it is hard to think of a banker who achieved this kind of status A P Giannini had it on the West Coast but even though he remained a regional banker his influence was national Felice A Bonadio describes him as the Henry Ford of banking While recognizing that Giannini was no saint Mr Bonadio accepts him at his own valuation as the people's banker There is no question that in creating the world's largest bank he greatly benefited California much of the state's explosive growth in this century having been financed by Bank of America And as Mr Bonadio points out by extending easy credit more broadly than anyone else he expanded the boundaries of life for millions To do so was his dream and the realization of it justifies the effort Mr Bonadio has put into this book William L O Neill The New York Times Giannini who began his career as a wholesaler of fruit and vegetables became a financial giant As early as 1920 his San Francisco bank had 220 000 depositors Competing bankers joined fundamentalist Protestant groups in charging him with fomenting a Catholic Italian plot to take over the West's financial institutions Giannini's 410 branch banking octopus did indeed engage in such tactics The author uncovered internal bank memos documenting quite ruthless attempts to capture the bank accounts of immigrant school children and women family members The investments which the Bank of America backed included the movie business In addition to becoming Walt Disney's first financial sponsor Giannini helped to subsidize the building of the Golden Gate bridge Bonadio gives one a real sense of what it meant for the warm hearted but sometimes volatile Giannini to help finance such huge enterprises Bonadio's narrative is direct and forceful The description of Giannini's personal character moves the story along skillfully Andrew Rolle Italian Americana By starting a bank and nurturing it into the biggest bank in the world Amadeo Peter Giannini became possibly the most spectacular entrepreneur of the early part of the twentieth century His story is inspiring and of interest to anyone who wants to understand the history of the West or the development of financial institutions in the United States This book should be a part of every complete library on the history of the west or financial history Lynne Pierson Doti The Journal of Economic History Until this biography appeared we have had to rely on a very old and limited account of the Bank of America Felice A Bonadio has made what appears to be thorough use of the bank's archives to go far beyond that old account He adds much to our knowledge of Giannini's enterprises which included not only his early ventures as a produce merchant but also his major involvement with the film industry throughout the 1920s and 30s Bonadio writes well and knows how to tell a story Richard M Abrams Pacific Historical Review Bonadio's accomplishment rests on the careful presentation of archival resources and of a large secondary literature The clarity of the story is reinforced through the use of extensive quotes a well documented business biography Gunther Barth Montana Magazine of Western History Those interested in the reconstruction of one financier's view of his world will find in Bonadio's book much to think about Kerry Odell The American Historical Review A.P. Giannini and the Bank of America Gerald D.

Nash,1992 A P Giannini ranks among the most visionary business leaders of the twentieth century For the reader who wishes an introduction or a first look at this important American entrepreneur this is the perfect book JOURNAL OF AMERICAN HISTORY *Building the Bank of America* Paul Rink,1963 Biography of the man who helped build the Bank of America and influenced modern banking *A.P. Giannini, The People's Banker* Francesca Valente, The story of a dreamer Envisioning a socio economic utopia A P Giannini was not a typical banking tycoon With a socially enlightened heart he made the American dream a reality not just for himself but for society as a whole In spite of devastating personal obstacles such as the death of his father Giannini became the world s leading banker of the twentieth century Raised by hardworking peasant immigrants in what was considered a backwater area of California Giannini received his economic education in an unconventional way paving the way for his rise to prosperity Founding the Bank of Italy for poor immigrant families he wanted to overcome the barriers put in place by the conservative current banking elite to fulfill the dreams of little guys Soon the Bank of Italy became the Bank of America and the poor Italian was now in a position to help dreamers such as Walt Disney achieve their own dreams Giannini also shaped the San Francisco skyline by financing the bold Golden Gate Bridge His influences and hard work can be seen all over the country simply because he believed in a more general distribution of wealth and happiness A.P. Giannini Branch, Bank of America, San Mateo, California Bank of America (San Mateo, Calif.). A.P. Giannini Branch,19?? **A. P. Giannini** Dana Haight Cattani,Angela B. Haight,2009 At six he witnessed his father s murder At 12 he regularly sneaked out to the waterfront at midnight At 15 he quit school At 30 he retired a self made man Then the real work of his life began In 1904 A P Giannini 1870 1949 founded Bank of Italy the predecessor of today s Bank of America to serve his ethnic neighborhood in San Francisco Against a backdrop of earthquake and fire anti immigrant fervor war and the Great Depression he broke every rule and tradition on his way to a showdown with Wall Street This riveting story of an outsider with something to prove is an American classic **A. P. Giannini** Francesca Valente,2018-02 Envisioning a socio economic utopia A P Giannini was not a typical banking tycoon With a socially enlightened heart he made the American dream a reality Founding the Bank of Italy for poor immigrant families he wanted to overcome the barriers put in place by the banking elite to fulfill the dreams of little guys **A.P. Giannini, Founder of the Bank of America** ,1992 A mini play about A P Giannini who created what was at one time the largest bank in the world Bank of America He was a pioneer in consumer banking encouraging the average person to deposit money maintain a checking account and apply for loans **A. P. Giannini** Paul Rink,1963 **The Gentleman Banker** Giorgio A. Chiarva,2022-01-04 This biographical novel recounts the extraordinary intuitions of the Italian American visionary founder of the world s largest bank the Bank of America Amadeo Peter or AP for his San Francisco friends dedicated his life to generate wealth for the people of his home town in particular for the Italian immigrant s community He was an innovator and humanist who always put the common good ahead of personal gain He revolutionized the banking system when he financed the reconstruction of San Francisco after the 1906

earthquake by making micro loans to hundreds of Italian immigrants lacking collateral. The other banks which required collateral in order to make a loan were unable to put the money into circulation. He was a visionary in the film industry financing the movie *The Kid* by an unknown and extravagant Charlie Chaplin who was turned down by other banks. It was the first time a loan was granted without interest and repaid from box office revenues. The same happened with Walt Disney for his masterpiece *Snow White*. In addition, Giannini realized the potential of the new audio technology developed by two young inventors, Bill Hewlett and David Packard, and put them in touch with Disney for his following productions and financed the industry that the two entrepreneurs began in a garage in Palo Alto. Another successful project financed by Giannini's bank was the construction of the Golden Gate Bridge designed by Joseph Strauss, an engineer without solid credentials as a daring steel structure. The loan was granted without interest with the understanding that it would be repaid from toll revenues. And it did many times over. Giannini revealed his acumen as a venture capitalist when he persuaded Henry Kaiser to convert his enterprise from the construction of roads and bridges to ship building. During WWII, with Giannini's encouragement, the shipyard was able to build 24 ships in record time which were used to transport the troops to Europe. After the war, Giannini's bank contributed 37M to Italy's reconstruction one year in advance of the Marshall Plan. And much more. This book tells it all.

Ap Giannini Banker Of America: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
