## **A Touch Of Innocence:**

A Touch of Innocence Katherine Dunham, 1994-06 An internationally known dancer choreographer and gifted anthropologist Katherine Dunham was born to a black American tailor and a well to do French Canadian woman twenty years his senior This book is Dunham s story of the chaos and conflict that entered her childhood after her mother s early death In stark prose she tells of growing up in both black and white households and of the divisions of race and class in Chicago that become the harsh realities of her young life A riveting narrative of one girl s struggle to transcend the painful confusions of a family and culture in turmoil Dunham s story is full of the clarity candor and intelligence that lifted her above her troubled beginnings A Touch of Innocence is an absorbing family chronicle written with a gift for physical detail sometimes too real for comfort In quietly graphic prose the growing girl the slightly older brother the ambitious father and the kind stepmother are pictured in such human terms that when their lives get tied into harder and harder knots beyond their undoing one can only continue to read helplessly as doom closes in upon the household Langston Hughes New York Herald Tribune A Touch of Innocence is one of the most extraordinary life stories I have ever read The content of this book is so heartbreaking that only the strongest artistic skills can keep it from leaking out into sobbing self pity but Katherine Dunham s art contains it understands it and refuses to be overwhelmed by its terrors Elizabeth Janeway New York Times The first eighteen years of the famous dancer and choreographer s life are brought vividly to the reader in this first volume of her autobiography She writes of what it is like to be a special gifted young woman growing up in a racially mixed family in the American Middle West A beautiful touching and sometimes discomfiting book Publishers Weekly As writing it is honest searing graphic and touching giving us a rather heartbreaking early view of the young American Negro who was later to make a name for herself as a dancer and choreographer Arthur Todd Saturday Review *Katherine Dunham* Joyce Aschenbrenner, 2002 She believes that dancing involves the development of an entire person and that the rituals and traditions of dance are integral to the study of culture Throughout her career she has been a living model of the socially responsible artist working to wet cultural appetites and combat social injustice Building on Dunham s published memoirs A Touch of Innocence and Island Possessed Joyce Aschenbrenner s multifaceted portrait blends personal observations based on her own interactions with Dunham archival documents and interviews with Dunham s colleagues students and members of the Katherine Dunham Dance Company Integrating these sources Aschenbrenner characterizes the social familial and cultural environment of Dunham s upbringing and the intellectual and artistic community she embraced at the University of Chicago that laid the groundwork for her development as a dancer anthropologist and humanitarian **A Touch of Innocence** Kelly Deacon, 2000-01-01

**Grand Finales** Susan Gubar, 2025-06-10 One of our most formidable literary critics explores how nine women artists flourished creatively in their final acts In 2008 academic and scholar Susan Gubar was told by a trusted oncologist that she had only a few years left to live Though she outlived that dire prognosis this brush with mortality refocused her attention on

the boons of a longevity she did not expect to experience She began to think In the last years of our lives can we shape and change our creative capabilities The resulting volume *Grand Finales* answers this question with a resounding yes Despite the losses generally associated with aging quite a few writers painters sculptors musicians and dancers have managed to extend and repurpose their creative energies Gubar spotlights very creative old ladies writers painters sculptors musicians and dancers from the past and in our times Each of *Grand Finales* nine riveting chapters features women artists George Eliot Colette Georgia O Keeffe Isak Dinesen Marianne Moore Louise Bourgeois Mary Lou Williams Gwendolyn Brooks and Katherine Dunham who transformed the last stage of existence into a rousing conclusion Gubar draws on their late lives and works to suggest that seniority can become a time of reinvention and renewal With pizzazz bravado and geezer machismo she counters the discrediting of elderly women and clarifies the environments relationships activities and attitudes that sponsor a creative old age

*A Touch of You and Me* James Smalls,2003 *A Touch of You and Me* The Human Journey touches upon the author s struggle to reach for the sometimes elusive meaning of life and faith and follows the human Journey through both the joys and perils of love It incorporates an understanding of spiritual principles articulating the link between the divine and the temporal Each chapter of the collection focuses on a specific experience or event The collection opens with Life and goes on to touch upon Faith with selections such as Timeless Grace and Thirsty Soul Later Hope depicts the ever changing process through which one must journey as is evident in A Virtual World of Hope So today life is transformed into three dimensions One with irrelevance has been stilled Another in disgrace sacrificed its space And yet with much effort another given uninhibited wings Under the heading Love similar themes are revisited while flirting with the unpredictability of love In Love Untamed the speaker attempts to capture such unpredictability as the speaker personifies the nature of Love So unpredictable she is For as the curse of a queen s venom she strikes Yet as a prudent fool to her all is forfeited *A Touch of You and Me* The Human Journey closes with Tragedy and Victory two chapters revolving around perhaps two extremes that highlight the overall theme of the volume
