Simpson: His Life and Work* A.E. Thompson, 2009-01-01 In the title A B Simpson His Life and Work by A E Thompson we find a classic biography about A B Simpson written about his life and work his evangelical work and his life long founding of the Christian and Missionary Alliance A B Simpson established a publishing house and edited a weekly magazine written for over 40 years and wrote over 100 books A B Simpson was a pastor of several churches and raised social ministries founded a college and wrote dozens of hymns and gospel songs A B Simpson His Life and Work reveals the hand of God in and upon a single life whose words and works continue to enrich the whole church and world A B Simpson was a man whose ability was able to convey God's love through his preaching C I Scofield wrote I count A B Simpson the foremost in power to reach the depths of the human soul And he was described by others as a giant of supernatural strength with a velvet touch A W Tozer wrote of A B Simpson that The true test of spiritual greatness is permanency By this test A B Simpson stands triumphant D L Moody said No man gets at my heart like that man Noting A B Simpson's love of God through his preaching to the people he loved **Wingspread** A. Simpson** Albert B. Simpson, 1987-01-01 Among evangelical leaders at the close of the 19th century none was more dynamic and creative than Albert Benjamin Simpson Some of the best of his writings are collected in this volume A. B. Simpson and the Pentecostal Movement Charles Nienkirchen, 2010-05-01 Based on impressive research the author has offered the spiritual heirs of A B Simpson as well as the larger church world an accurate interpretation of Simpson's spiritual pilgrimage The

information about Simpson's belief in speaking in tongues and the ministries of those who remained or left the Alliance over the issue provides valuable insights into the close relationship between the organization and emerging Pentecostal movement.

Gary B. McGee, Professor of Church History, Assemblies of God Theological Seminary: It is good news indeed that Charles Nienkirchen's *A. B. Simpson and the Pentecostal Movement* is being republished. This is a very important and well-written work which sheds light not only on A. B. Simpson's quest for the tongues-attested baptism in the Holy Spirit but on the milieu surrounding the early spread of Pentecostalism in America and especially in the Christian and Missionary Alliance. This is a historical treasure.

Vinson Synan, Dean Emeritus, Regent University School of Divinity: Simpson has long deserved an in-depth study. A pivotal turn-of-the-century figure who never found full acceptance in any wing of American evangelicalism, this prolific Canadian nonetheless profoundly influenced popular evangelicalism and Anglo-American Pentecostalism. Nienkirchen makes careful use of long-unused primary sources to illuminate Simpson's relationship to early Pentecostalism. The result is a suggestive work that offers perceptive insights into early Pentecostalism and the context from which it emerged.

Edith L. Blumhofer, Project Director, Institute for the Study of American Evangelicalism, Wheaton: Nienkirchen provides a splendid study of the relationship of A. B. Simpson to Pentecostalism. This book demonstrates wide knowledge of primary materials and great care in documentation, with about one-third of the text devoted to footnote material. Nienkirchen clearly delineates the major elements in Simpson's religious thought and gives attention to the most significant ways in which his thought changed. His major interest in this book focuses on the ways in which Simpson influenced the formation of early Pentecostalism. Pentecostals accept some elements of Simpson's teaching and rejected or modified others, but Nienkirchen argues persuasively the case for Simpson's importance in understanding Pentecostalism. Moreover, he clearly illustrates specific ways, both direct and indirect, in which that influence was felt in the complex story of early holiness-Pentecostal relationships.

William Pitts, Professor of Church History, Baylor University: Charles Nienkirchen has supplied those interested in the history and theology of American Evangelicalism, the Christian and Missionary Alliance, or the Pentecostal movement with an invaluable reference tool and an interpretive lens through which to understand them. This must-read has shown its worth by remaining as relevant, informative, and provocative as when it first went to press.

Bernie A. Van De Walle, Associate Professor of Historical and Systematic Theology, Ambrose University College and Seminary, Calgary, AB: In *A. B. Simpson and the Pentecostal Movement*, Charles Nienkirchen has combined prodigious research with mastery of historical and theological sources to produce a superb study of Simpson's relationship with early Pentecostalism. This is a most important and useful work.

Randall Balmer, Barnard College, Columbia University: Charles W. Nienkirchen, PhD, University of Waterloo, is Professor of Christian History and Spirituality at Ambrose University College in Calgary, Canada, and Visiting Professor of Christian Spirituality at Tyndale Seminary in Toronto, Canada. He has been a Scholar in Residence at Oxford University in England and Tantur Ecumenical Institute in Jerusalem, as well as Visiting Professor in Residence at Tamilnadu Theological Seminary in
