MARINER BOOKS

A Wodehouse Bestiary

Colin Larkin

A Wodehouse Bestiary:

A Wodehouse Bestiary Pelham Grenville Wodehouse, 1999 Fourteen tales of animals of extraordinary strong dispositions and the often calamitous events they precipitate *A Wodehouse Bestiary* P G Wodehouse, 1985-10-01 *Middlebrow Wodehouse* Ann Rea, 2017-05-15 While he is best known for his Jeeves and Bertie Wooster stories P G Wodehouse was a prolific writer who penned many other novels stories and musical comedy libretti the latter of which played an enormous role in the development of American musical theater This collection re examines Wodehouse in the context of recent scholarship on the middlebrow attending to his self conscious relationship to the literary marketplace and his role in moving musical comedy away from vaudeville s lowbrow associations towards the sophistication of the Wodehouse style The focus on the middlebrow creates a critical context for serious critical consideration of Wodehouse s linguistic playfulness and his depictions of social class within England The contributors explore Wodehouse s fiction and libretti in reference to philosophy depictions of masculinity World War I Britain the periodical market ideas of Englishness and cultural phenomena such as men s fashion food culture and popular songwriting Taken together the essays draw attention to the arbitrary divide between high and middlebrow culture and make a case for Wodehouse as a writer whose games with language are in keeping with modernist experimentation with artistic expression *A Checklist of P. G. Wodehouse* , **Churchill's Bestiary** Piers Brendon, 2018-10-25 In this fascinating and unique biography Dr Piers Brendon looks deeper into Churchill s love of the animal kingdom and at how animals played such a large part in his everyday life *Who's who in Wodehouse* Daniel H. Garrison, 1989 *A Bestiary* Aidan Higgins, 2004 Originally published as three separate volumes *Donkey s Years* *Dog Days* and *The Whole Hog* *A Bestiary* relates the life and times of one of Ireland s greatest contemporary writers As in his fiction Higgins s writing exquisitely captures sights smells and emotions detailing his life from childhood in County Kildare before his family s economic decline to his mother s slow agonizing death from his travels in England and South Africa to his two years spent living with a schoolmistress after the end of his first marriage In writing his memoirs Higgins exposes the sources for many of his best novels from *Scenes from a Receding Past* to *Langrishe Go Down* giving the reader a rare look into the story behind the story But *A Bestiary* is more than a factual expose this collection of memoirs is constructed in a novelistic way creating a work of literary art out of a life *San Diego Magazine* , 1986-03 **P.G. Wodehouse** Eileen McIlvaine, Louise S. Sherby, James H. Heineman, 1990 **The Encyclopedia of Popular Music: Selected Albums.** **Bibliographies** Colin Larkin, 2006 Containing 27 000 entries and over 6 000 new entries the online edition of the *Encyclopedia of Popular Music* includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the *Encyclopedia* also offers thousands of additional entries covering popular music genres trends styles record labels venues and music festivals Key dates biographies and further reading are provided for artists covered along

with complete discographies that include record labels release dates and a 5 star album rating system
